Families have the option to pay tuition either annually, semi-annually, or monthly.

Tuition and Fees paid in full by June 1st will receive a \$500 discount off the cost of tuition (excluding students on financial aid).

CURRENT STUDENTS: To secure your student's enrollment for next year, submit the annual student registration fee of **\$250.00** per student by February 28, 2025. This will ensure that your student(s) will be enrolled for the **2025-2026** school year. The registration fee increases to **\$350 after February 28th** and **\$450 after March 15th**. Families are encouraged to submit the registration fee early, as space is limited due to a decrease in class size and an increase in enrollment. Tuition payment plans renew each school year. On March 1st, after the first current student deadline, new students will be eligible for acceptance.

NEW STUDENTS: New students interested in enrolling should complete the application, pay the non-refundable **\$125** application fee and submit all supporting documents. The application for new students will open on February 1, 2025. Families are encouraged to complete the application and submit all documents early. Once capacity is met for a grade level, enrollment will close for that grade.

The week of March 1st, new student applicants with complete files will be reviewed for admission. If accepted, a contract will be offered and a non-refundable **\$250** confirmation fee will be required. Signing the contract and submitting the non-refundable **\$250** confirmation fee reserves your space for the **2025-2026** school year.

Newly accepted students will have until June 1st to pay the non-refundable enrollment fee of **\$750** for the first student, **\$500** for the second student, and **\$250** for each additional student, and the Tuition Refund Insurance per student at a rate of \$170 for PK3 half-day students and \$340 for PK3 full-day/full time through 12th grade students. Students contracted after June 1st will have until August 1st to submit the enrollment fee. Students who have not submitted the fees, will not be allowed to begin school.

All new students are required to pay the confirmation, enrollment, and insurance fees by the deadlines. Students enrolling after the school year has begun are required to pay the fees prior to enrolling. Students enrolling by December 31, of the current school year will be charged the full amount of annual tuition. If a student enrolls after January 1, of the current school year, the tuition will be pro-rated.

TUITION SCHEDULE: All questions regarding tuition, bus fees, or fundraising monies should be directed to the financial office (706-468-8818, Ext. 314 or Robin_Anglin@piedmontacademy.com). If you decide to pay annually, the full tuition amount is due by June 1, 2025 and a \$500 discount will be applied to your tuition balance. Students receiving any type of financial aid are not eligible for a \$500 discount. If you prefer to pay in monthly installments, your payments will start June 1, 2025, and run **twelve** months to May 1, 2026. A **\$20.00** per family late fee will be assessed if tuition is not received by your due date.
