

Keeping Vulnerable Ontarians Safe & Independent at Home During the Pandemic

136

Between April 2020 and December 2022, OCSP funded **136** Meals on Wheels and other organizations across Ontario.

OCSP funds helped them meet demand increases of up to **46%** at the height of the crisis.

2.3M

OCSP enabled funded organizations to provide over **2.3 million** deliveries, including:

2,100,000

Prepared Meals

131,000

Food Hampers

71,000

Medication & Essentials

The project helped **84,000** vulnerable seniors and people with disabilities stay safe and independent at home – and out of the healthcare system.

For these people – many who cannot prepare their own food, live alone, lack family and social support, or face material barriers to food preparation – OCSP deliveries were a lifeline through the pandemic.
