Typical travel 3-14 miles out/ Up to 4 hours' (sailboats may add additional time) round trip, a Fully Insured Vessel/Captain/Crew (prices may vary for capacity over 15 people). Sales tax included, Disposition Burial Permit, Death Certificate included. Note: Actual time may vary depending on weather, special requests, other unforeseen circumstances.

Military Honors will be provided if possible. A US flag will be provided. A valid DD214 Honorable Discharge document must be presented to us for compliance with military regulations.

Going on a vessel is a weather dependent activity and weather is unpredictable, which means that it may be a risky activity. However, all our Captains are US Coast Guard licensed and vessels meet or exceed US Coast Guard requirements.

We reserve the right to cancel charters due to mechanical problems on the vessel or adverse weather conditions. Day of sailing 25% refundable, within three days of sailing 35% of deposit is refundable. If the charter has commenced and poor weather eventually rolls in, a mutually acceptable pro-rated cost adjustment share of the total fee will be charged, with a minimum fee of \$350.

Contact one of our staff to discuss the process, overall costs, cancellation policy terms and conditions.

#### ***Outer Space & Lunar Burial***

A Service of this type involves leaving Earth through the Cosmos, an experience few have ever known but may have often dreamed of. Argos together with Celestis, makes it possible to honor the dream and memory of your departed loved one by launching a symbolic portion of cremated remains into Earth's Orbit, onto the lunar surface or into deep space. Missions into space that return cremated remains to Earth are also available.

#### **Earth Rise Service Spaceflight with return to Earth \$4,495\***

Our Earth Rise Service affordably launches a symbolic portion of cremated remains to space, and after experiencing the zero-gravity environment, returns the individual flight capsules and modules back to Earth. After a successful flight, the Earth Rise payload, including flown flight capsules and modules, is recovered, validated at having reached space, and the capsule or module is returned to the family or loved one as a keepsake.

#### **Earth Orbit Service Launch into Earth Orbit \$4,995\***

Our Earth Orbit Service affordably launches a symbolic portion of cremated remains into space aboard a Celestis Spacecraft. Your loved one will venture into the final frontier as part of a real space mission, riding alongside a commercial or scientific satellite. The Celestis Spacecraft is placed in Earth's Orbit where it remains until it reenters the atmosphere, harmlessly vaporizing like a shooting star in the final tribute.

**Launch to Lunar Orbit or Surface Lunar Service \$12,500\***

The Lunar Space reaches out to Earth's nearest neighbor for a uniquely compelling location to remember a special life. Celestis has an agreement with Moon Express and Astrobotic Technology, Inc. to launch payloads containing Human Cremated Remains to the surface of the moon.

**Voyager Service Launch in Deep Space \$13,995\***

The Voyager Service launches your loved one on a voyage through deepest space, leaving the Earth Moon system on a permanent celestial journey. Voyager missions truly offer an opportunity to be at one with the cosmos, on a mission of exploration and discovery.
