**Reflection on Corpus Christi Sunday**

Here is an excerpt from an article titled: *"Corpus Christi Year A, Sunday June 7, 2026"* found on the "Young Catholics" website—[young-catholics.com](http://young-catholics.com):

Corpus Christi...is a time to reflect on the gift of the Eucharist...The Eucharist is not just a ritual; it is Jesus Himself, given to bring life and unity.

**Humility and Gratitude for God's Blessings**

The first reading for Corpus Christi Year A reminds us that everything we have comes from God. The Israelites wandered in the desert, and God provided for them. He gave them food, water, and guidance. They had to trust Him, knowing that He would take care of them. This reading also warns against pride and forgetfulness. When people are comfortable, they might think they achieved success on their own. They forget that God is the one who gave them their talents, opportunities, and resources. Corpus Christi Year A calls us to remember that all blessings come from God.

Being grateful helps us stay humble. It reminds us that we depend on God every day. We should thank Him not only for big things but also for small blessings. The Eucharist itself is a reminder that Jesus gives us everything we need. One way to grow in gratitude is through prayer. Taking time each day to thank God changes our attitude. It helps us see our blessings more clearly. Corpus Christi Year A invites us to trust in God's care and to remain thankful for His gifts.

**The Eucharist Brings Unity**

The second reading for Corpus Christi Year A teaches that the Eucharist unites all believers. Paul explains that sharing in the Body and Blood of Christ makes us one body. The Eucharist is not just a personal experience. It connects us to the whole Church. This is important because people often feel alone or disconnected. The world encourages independence, but faith is about community. Through the Eucharist, believers are joined together in Christ. Corpus Christi Year A reminds us that we are part of something greater than ourselves.

When we receive the Eucharist, we are not just remembering Jesus. We are taking part in His sacrifice and being strengthened by it. This helps us grow in love for one another. The Eucharist calls us to support and care for those around us. Even when people cannot gather in person, the Eucharist remains a sign of unity. It reminds us that faith is not just about individual prayer but about being part of God's family. Corpus Christi...encourages us to live in unity and love, strengthened by the Body and Blood of Christ.

**Jesus Is Truly Present in the Eucharist**

The Gospel reading for Corpus Christi Year A is one of the most important teachings about the Eucharist. Jesus says that He is the living bread from heaven. He tells His followers that they must eat His flesh and drink His blood to have life. This teaching was hard for many people to accept. Some turned away because they did not understand. But Jesus did not change His words. He wanted people to know that the Eucharist is not just a symbol. It is His real presence, given to bring life.

The Eucharist is a great mystery. It cannot be fully explained, but it can be believed. Catholics trust that Jesus meant what He said. When they receive the Eucharist, they receive Jesus Himself. Corpus Christi Year A reminds us to approach the Eucharist with faith and reverence. This calls for preparation.

Receiving Jesus in the Eucharist should never be taken lightly. Prayer, reflection, and even confession help us receive Him with the right attitude. Corpus Christi Year A invites all believers to recognize the great gift of the Eucharist and to receive it with devotion.

**This Sunday is the Celebration of Corpus Christi.**

We will conclude Mass with Exposition, an indoor Procession, and Benediction of the Blessed Sacrament.
