

St. Michael Women's Association

Dear Women of St. Michael the Archangel Parish,

We hope you and your family had a restful and enjoyable summer!

We are excited to launch the 2025-2026 season and continue the legacy of our beloved founder -- Veronica "Roni" Schmitz. For more than thirty years the SMWA has organized, sponsored and contributed to many of the social events that have taken place in the parish, and throughout the years, Roni has led the charge - organizing, recruiting volunteers, welcoming new and existing parishioners with a kind smile and a sincere voice. A dear friend to many. Roni will be missed but never forgotten.

Since its inception, the SMWA has been dedicated to bringing the women of our parish together through the association's various events and the many Parish-wide events that we support. Our mission is to continue to do exactly that, by organizing spiritual, educational and social programs throughout the year.
