

Be Aware!

There have been a number of email scams where the sender appears to be Fr. Paul. The actual email address is **not** his. It is some fake Hotmail email address. Do not respond and simply delete! Note: Fr. Paul is **never** going to email you asking, “for a favor” or for you to send “Gift Cards”. If you have any questions about the authenticity of an email, please call the office @ 203 869-5421.

Thank you.
