

## BEYOND

Heavenly Father, you are **beyond** all our understanding and praise. We lift our hearts to you, praying for a vision that goes beyond the ordinary. Help us look **beyond** the screens, the noise, and the doubts that surround us and which hold us back. Give us the Serenity, the Courage, the Wisdom and grace to step **beyond** our comfort zones, to be a faith filled community transformed, and to shine Your incredible light so brightly that the world sees Your goodness through us. Equip us to go **beyond** our wildest dreams, and to trust the gifts and talents You gave us, to fulfill Your greater purpose. Help us to be Your faithful workers, planting seeds that will grow to bear fruit in our homes, schools, work, parish, town and world, **beyond** our lifetime.

In Jesus' name we pray, Amen.

Blessed Mother and our beloved Saints, we ask for your continued intercession along our journeys; pray for us.
