A close-up photograph of a European robin (Erithacus rubecula) perched on a weathered, moss-covered wooden post. The bird is shown in profile, facing right, with its characteristic orange-red breast and greyish-brown back. Its legs are a pale pinkish-brown. The background is a soft, out-of-focus green, suggesting a natural outdoor setting. A dark, curved branch is visible in the upper left corner. A dark grey speech bubble with a black outline is positioned in the upper right, containing white text.

The Rector writes .....

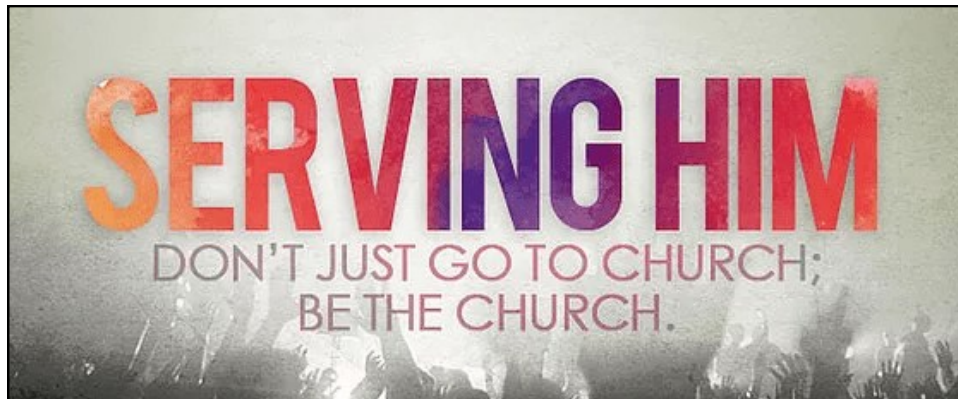

During the Christmas and new year season it was a real privilege to welcome so many people to church. It is so good to see the congregation in such good heart during this festive time. It was also great to engage with some people who are either returning to us or considering joining our congregation and I do hope they will feel a very special St Augustine's welcome when they come among us. I always reflect on a particular experience I had in a church about 15 years ago, where I felt anything but welcome and, the chances are, I will not go back there. It can be a brave enough decision to come to church for the first time or even return to church after a time away. For anyone coming through the church door welcome is crucial, and I am pleased to say that we are good at it.

As we begin February, we find a month which is packed with lots of opportunity to engage in fellowship and worship partly because our Christian pilgrimage this month brings us to **Ash Wednesday** which, of course, begins the **season of Lent**. It has come upon us early this year and we change gears accordingly with the introduction of our Lenten series on a **Wednesday evening at 7.45pm**. This is a season to reflect upon our relationship with the Lord and to really identify with Him through His wilderness experience and we build in intensity as **Holy Week** eventually comes around at the end of March. Please consider coming along for these short informal services on Wednesday evenings.

Also worth a special mention in February is our last **Heritage Series** talk, which falls on **Thursday 12th February**. Mr Ken McCormick will be returning to speak on the **Great Ordnance Survey** along with music. This has been a magnificent programme of heritage and history of our local surroundings. We are immensely grateful to Hazel for organising the series and also very grateful to those who came to speak. The series was sponsored by the **Heritage Animation and Visitor Servicing Grant from Derry City and Strabane District Council**.

I was delighted to commission **Megan as a Parish Reader** in January. All our readers have an important ministry within St Augustine's and I was proud of Megan not only as her dad but also as a pastor seeing a young Christian with a desire to be more involved in the worshipping life of the church. If anyone else feels called to any kind of ministry within God's church, be it 'up at the front', on the counting team, catering ministry, pastoral ministry, youth ministry, music ministry, the streaming team (or anything else!) then please come and talk to me.

The **Confirmation Day this year for our group is Saturday 28<sup>th</sup> February.** It is very important that we avail of this opportunity as well as attending on a weekly basis especially now that the date is drawing close. Noel and Gordon will provide more details, but I would strongly encourage the young people who are considering confirmation this year to engage.

Our usual schedule continues during February including LEAH, Church Café, Tuesday morning Holy Communion, Luminare and, most importantly, morning worship each Sunday morning. Please support and engage with your church family as much as you can and join us as we lift high the name of the Lord in this place.

With every blessing

Rev'd Nigel

## **A WORD ON WORSHIP FOR 2026 (article by Jonathan Edwards)**

Throughout the psalms, we are continually reminded how good it is to worship God. In Psalm 84:10, the psalmist says that he would rather spend a single day in the presence of God than a thousand anywhere else! Our verses today remind us of the importance of worshipping God throughout the day. Worship needs to be woven into the fabric of our lives. We can't do it occasionally or half-heartedly. It needs to claim the best of our energy and attention.

Worship is of such huge importance because it needs to affect absolutely every aspect of life. The thought of worship being confined to a couple of hours in church once a week is completely foreign to the Bible. When we worship, we declare the greatness of God and seek to bring our lives into line with his will. One of the most comprehensive definitions of worship was provided by William Temple, Archbishop of Canterbury during the second world war. He wrote: ***"To worship is to quicken the conscience by the holiness of God, to feed the mind with the truth of God, to purge the imagination by the beauty of God, to open the heart to the love of God, to devote the will to the purpose of God."*** Those challenging words demand very careful reflection, because all too easily what we do in church can be cheapened. Whatever style of worship we are used to, it is so easy for it to become a performance which we judge by our own particular musical preferences. Worship needs to be focused entirely on God. It is very easy for us to focus instead on the people who lead us and our reactions to their gifts and idiosyncrasies.

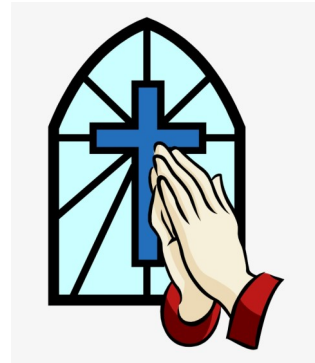

True worship of the living God brings us to life in a way that nothing else can, so we need to make sure it becomes increasingly central to our lives, however busy we happen to be.

## **WEEK OF PRAYER FOR CHRISTIAN UNITY**

Due to a very wet weather forecast our prayer walk for Christian Unity became an indoor event in **Carlisle Road Methodist Church hall**.

Notwithstanding that, there was unity of purpose and prayer in the sharing of some scriptures and short reflections. Not only did we follow the official resource for the **Week of Prayer for Christian Unity**, but we also prayed together for local churches, Alexander House, the Courts, the Family Justice Centre and the Fountain area. The themes were –

- Our call to unity
- Bearing with one another in love
- The bond of peace
- Called to One Hope
- One faith, one baptism
- One God over all
- Christ's Gifts

Thanks to the volunteers of Carlisle Road Methodist for providing the refreshment, and thanks to everyone who supported this important annual event.

## **SEXTON'S COTTAGE**

At long last, the contractor has been appointed and hopefully work is about to start (if it hasn't already!). You will appreciate the vast amount of time and effort that has gone into this scheme. I think at this stage Drew feels like it has taken over a goodly portion of his life!

The whole idea behind this renovation is two-fold. One is to protect and support the valuable heritage on this site, and the other is to protect our own asset which, until now, had fallen into a state of significant disrepair. Huge thanks to the working group, especially Drew, Alwyn and our advisor, Peter Kelly plus our quantity surveyor and architect.

## **SAFEGUARDING**

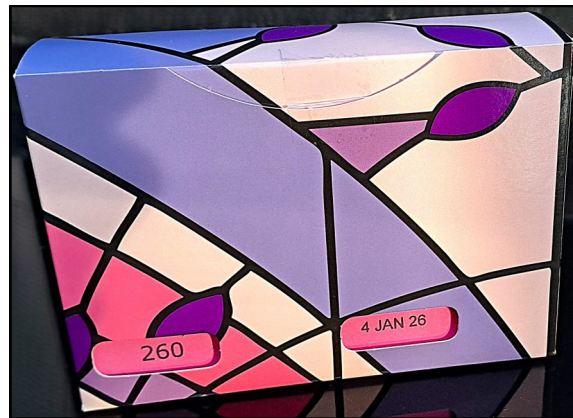

The Safeguarding Panel continues to meet regularly. Remember if there are any safeguarding concerns, they should be shared with Mrs Irene White, Mr Marshall Kilgore or the Rector.

There is a comprehensive suite of Safeguarding and Health & Safety Policies which are available in hard copy, upon request.

## REVISION OF THE LIST OF GENERAL VESTRYMEN

The register of general vestrymen is a flowery way to talk about a list of parish members. If you consider yourself to be a member of St Augustine's then it is very important that your name is on this list. It is also important that the list contains accurate information, so please ask yourself these questions and take any action that you think is required –

- ♦ Am I sure my name is on the list?
- ♦ Have any of my details changed – my address, mobile phone number etc.?
- ♦ Did I ever sign a GDPR consent form?
- ♦ Are my weekly / monthly contributions up to date?
- ♦ Do I have a free will offering number?
- ♦ Do I pay tax and, if so, could I help the church even more by signing up for gift aid? (Church gets extra on my offering and it would cost me just the same)

## FINANCE

Rev'd Nigel has highlighted the revision of the register of general vestrymen, and I think it would be right for me to emphasise the importance of regular contributions and gift aid if you possibly can.

Everyone's household income has had a fair squeeze in the last couple of years and the cost of living has rocketed. That's no different for the church. Our bills have also had the same hike, so every penny counts in terms of what we spend, and every penny counts in terms of what you give. Giving from the congregation is the main portion of the church income and it is vital that this would remain at least in line with inflation. If you can, please take a look at what you give and consider if you could spare any more to bridge any inflationary gap since you last reviewed your financial giving.

**The Bishop's Appeal** for 2025 raised £430 which is more than the previous years amount of £290.

Drew White (Treasurer)

## THE COMMISSIONING OF MEGAN CAIRNS

Our **Sunday Family Service on 18th January** included a commissioning service for Megan Cairns as a new Parish Reader as well as an Affirmation of the ministries of our other parish readers.

(Alison, Matthew, Megan, Rev'd Nigel)

Also in the congregation were some of Megan's friends including Matthew Spratt (above) who completed the readers course with Megan and is also studying in Belfast. Rev'd Ivan Dinsmore commissioned Matthew at the end of last year.

**In loving memory of a much loved husband  
McCarter—Robert Ernest (Ernie) - Died 24th February 1991  
(35th Anniversary)**

Although you sleep in Heaven now  
You're not that far away  
My heart is full of memories  
And you're with me every day.  
You lived your life with meaning  
And with a smile upon your face  
A world that was full of happiness  
Is now an empty place.  
People say that only time  
Will heal a broken heart  
But just like me and you, it has been torn apart.  
I know you are at peace now  
And in a place where you are free  
Meet me at the pearly gates  
when heaven calls for me.

**Sorely missed and loved so much by your loving wife Margaret. xoxo**

**In loving memory of a much loved father  
McCarter—Robert Ernest (Ernie) - Died 24th February 1991  
(35th Anniversary)**

It's been the hardest thing to lose you  
You meant so much to me  
But you are in my heart my love  
And that's where you will always be.  
I know that heaven called you  
And I wished you could have stayed  
At least the memories I have of you  
They will never fade.  
I did not want to lose you  
But you did not go alone  
Because a part of me went with you  
When heaven called you home.  
So just remember one thing  
We are not apart  
You're with me in my memories  
And in my broken heart.

**Sorely loved and missed forever by your loving daughter Lorna. xoxo**

## **LEAH @17**

This month's **Leah lunch is on Tuesday 3rd February with Holy Communion in the church at 11.30am followed by lunch at 12.15pm.** It's our **17th birthday** as well so there'll be a bit of a celebration—maybe even a gulder of Happy Birthday!!

Back in 2009, I'm certain that none of us ever thought we would still be going in 2026. A big "thank you" to all the Leah team for their dedication and support for the lunch project as we enter **our 18th year.** As usual please let us know if you will be attending so that we can cater accordingly.

## **CHURCH CAFE**

February's Cafe will be held as usual on the **last Saturday (28th) of the month** from 10:00am. Please do try and pay us a visit and enjoy our home cooking and baking and have a bit of a "Chat 'n Chew". You won't be disappointed!! PS. We self fund the cafe so every penny you spend goes straight to church funds and helps boost our monthly contribution to Dublin.

We're pleased to once again, welcome **Altnagelvin Renal Support Unit** for their bi-annual **Remembrance Service on Sunday 22nd February at 3pm** and look forward to providing catering afterwards. This will be the third time we've been asked - definitely doing it right then!!
