Day Trip Terms and Conditions 2026

These are the conditions of hire of Countrywide Coaches (hereinafter called the company). They form the basis of the contract under which the company agrees to hire its vehicles to the customer (hereinafter call 'the hirer').

Lead Passengers

Lead passengers of a group booking and travelling must be over sixteen years of age

Price Quoted

The price quoted and paid for is for the coach transport only, unless otherwise specified. If you independently book tickets for an attraction at the destination we are travelling to, we cannot be held liable if there is an unforeseen delay, such as traffic.

Timetable

We ask that you are ready at your designated stop five minutes before the advertised departure time

Allocated Seating

We offer allocated seating on all trips (except for the 'vintage bus tours') and will always try to accommodate specific requests. We cannot be held responsible if we cannot meet

your specific request or if we have to change your seating due to unforeseen circumstances.

Breakdown and Delays

The company gives its advice on journey time in good faith. However, as a result of breakdown or traffic congestion or other events beyond the reasonable control of the company, journeys may take longer than predicted and in those circumstances the company will not be liable for any loss or inconvenience suffered by the hirer as a result. In the event of a breakdown we will either repair or send a replacement vehicle (which ever is the most time effective option). On our 'Vintage Bus Tours' we may be unable to send a replacement bus of the same year and style. For example, if there is a breakdown we may be left with no option but to send a modern coach as an alternative vehicle to continue travel.

Loss or Damage to Personal Property

The company will not be responsible for any damage to, or loss of any personal property left in vehicles.

Liability for Injury

The company will not accept any liability for damage, injury or loss by any passenger standing up or walking around the vehicle whilst in motion, or any passengers who are not wearing a seatbelt on a coach with fitted belts.

Payment Terms

Full payment is due at the time of booking for all day trips, unless other payment terms are imposed by Countrywide Coaches at the time of booking. (The company reserves the right to decline to execute any work when the foregoing condition has not been adhered to).

Passenger Capacity and Seat Belts

No passenger may be carried in excess of the seating capacity of the vehicle and passengers should wear the seat belts provided at all times. Please note, our 'Vintage' buses do not have seatbelts due to their age.

Car Seats for Children & Infants

We don't provide car seats for infants and children. However, the law states children may travel on a coach or bus without a child seat or seatbelt. If you wish to bring your car seat to try, you are more than welcome but we cannot assist in fitting it as we cannot be held responsible if it is not correctly fitted. Under 2's may travel free of charge on a paying adults' lap.

Passengers with Additional Needs

We have coaches to accommodate wheelchair users however we can't guarantee the space will be available as it is a first come first serve basis. We are able to accommodate wheelchairs, walking aids and push chairs in the coach lockers but these will need to be dismantled by the customer. Please note that our 'Vintage buses' are unable to accommodate wheelchair users or large walking aids and prams due to lack of storage space and disabled access lifts due to their age.

Drivers Hours Regulations

The hirer undertakes to abide by all statutory requirements and regulations which may in any way affect the journey or itinerary in question. Drivers are familiar with these regulations however they will conform to any reasonable request made by members of the party. Drivers hours and rest periods are regulated by law and must be complied with. The company will quote and agree a booking with these regulations in mind, and the customer must adhere to the times which have been booked and confirmed. It is down to the drivers' discretion if he/she will wait additional time for passengers past the agreed time of departure.

Cancellation by the Customer

Due to the tours being reliant on passenger bookings, our trips are non-refundable

Cancellation by the Company

The company (Countrywide Coaches) reserves the right to cancel any

excursion at any time for any reason. However, the company will ensure the customers are notified as early as possible. All monies paid to the company by the customer will be refunded should the company cancel the trip, and following this will be exempt from any further liability. Examples of cancellation of day trips would include extreme weather or not enough bookings for the trip to be viable. Trips will not be refunded for bad weather, unless we cancel the trip.

Food & Drink, including Consumption of Alcohol and Smoking

Consumption and or carrying of alcohol in the passenger compartment of company vehicles is strictly forbidden.
