Health Ministry Presents:
Accessing "MyChart" with the
Deaconess Memorial Medical Center.

With recent changes in the portals and our aging population, computer access can be intimidating. Many need assistance in maneuvering the MyChart system in a non-threatening, one-on-one setting.

What: one-on-one training for those needing assistance in setting up or updating their health portal.

What you will learn:

- Setting up MyChart on your personal computer
- How to access the new MyChart
- How to use the tools to communicate with your provider, see your lab results, schedule appointments and more.

Who: Any Salem Church member that is in need of help accessing the new MyChart system.

Provider: Jan Renner

When: Appointments would be made directly with Jan or through the office. Allow 1-2 hours per household. Starting after Thanksgiving.

Where: individual's home using your home computer.
