PERGAMENA GRIGIA CHIARO

A square sample of light gray parchment. The surface has a mottled, slightly grainy texture with subtle variations in tone, ranging from a very light gray to a slightly darker, muted gray. The overall appearance is that of aged, light-colored leather or parchment.

PERGAMENA BIANCA

A square sample of white parchment. The surface is predominantly white with a mottled texture, featuring faint, irregular brownish-yellow spots and streaks, characteristic of aged parchment. The overall appearance is that of aged, light-colored leather or parchment.
