N°7

A square panel with a deep blue, wavy, and textured surface, resembling water or a specific type of leather grain.

SIMILPELLE BLU METALLIZZATA

A square panel with a dark blue, metallic, and finely textured surface, giving it a shimmering or pebbled appearance.

SIMILPELLE SETATA AZZURRA

A rectangular panel with a fine, vertical ribbed texture in a teal or light blue color. The texture is consistent across the entire surface.

SIMILPELLE GRIGIA

A rectangular panel with a fine, vertical ribbed texture in a dark grey or charcoal color. The texture is consistent across the entire surface.

SIMILPELLE VENATA GRIGIA

A close-up photograph of a dark, textured material, likely a synthetic leather or faux leather, showing a vertical crease or fold. The texture is grainy and uneven, with some lighter and darker patches. The text 'SIMILPELLE VENATA GRIGIA' is printed in white, bold, uppercase letters in the upper left corner.

SIMILPELLE NERA

A solid black rectangular surface, likely a piece of black synthetic leather or faux leather. The surface is uniform in color and texture. The text 'SIMILPELLE NERA' is printed in white, bold, uppercase letters in the upper left corner.

SIMILPELLE LEGNO NERA

A close-up image of a black material with a wood-grain texture, showing horizontal lines and a slightly uneven surface.

SIMILPELLE SETATA ARGENTO

A close-up image of a silver material with a metallic, brushed texture, showing fine horizontal lines and a slightly uneven surface.

SIMILPELLE MARRONE

SIMILPELLE RADICA BEIGE

A close-up photograph of a beige-colored material with a pronounced leather-like grain. The texture is uneven, with various shades of light tan and beige, and some darker, circular spots that resemble natural leather imperfections or pores. The lighting is soft, highlighting the tactile quality of the surface.

SIMILPELLE RADICA MARRONE

A close-up photograph of a dark brown material with a leather-like grain. The color is a deep, rich brown with some darker, almost black, circular spots and variations in tone, giving it a natural, aged appearance. The texture is similar to the beige version, with a fine, irregular grain.

SIMILPELLE TELATA GRIGIA

A close-up photograph of a dark gray, textured surface. The texture is a fine, regular grid or woven pattern, characteristic of a textile or a high-quality synthetic material. The lighting is even, highlighting the subtle variations in the weave.

SIMILPELLE TELATA SABBIA

A close-up photograph of a light beige or tan textured surface. The texture is a fine, regular grid or woven pattern, similar to the one in the first image but in a lighter color. The lighting is even, highlighting the subtle variations in the weave.

SIMILPELLE TELATA GRIGIO

A rectangular sample of grey material with a fine, woven texture, resembling canvas or a similar textile. The texture is uniform across the surface.

SIMILPELLE TELATA ROSSA

A rectangular sample of red material with a fine, woven texture, similar to the grey sample. The texture is uniform across the surface.
