3. School Safety
 - a. Digital Safety
 - i. Date in January
 - ii. Digital safety parent night will be held on Jan 29th @ 6pm in the GRHS cafeteria. Emily and Kent, along with Heidi, agreed the Booster Club and GRPC will provide money towards a taco dinner for attendees. The 7th grade College and Career Awareness class have been working on Digital Safety PowerPoint Presentation assignment during 2nd quarter. They will be presenting these presentations at the elementary for the 4-6th grade students. Tessa proposed the 7th grade can present at this parent night as well. Heidi proposed presenting some of the digital safety specific data from the SHARP survey, along with a speaker to present additional information. The speaker will still need to be determined, possibilities include someone from USU-Eastern. Emily proposed for the school student council to present advice or tips and tricks for students to use digital safety and for parents to help protect their children.
 1. 29th - What do we want this Parent/Net Safety night to look like?
