VALLETTA AND THE MALTA EXPERIENCE – HALF DAY TOUR (included in the 5-excursion package)

Our guided tour through the vibrant streets of Valletta will allow you to discover the beauty and charm of the fortified city built by the Knights in 1566. The Order of St. John ruled over the islands for 268 years and left a unique cultural legacy of which Valletta is the prime example. We first enjoy a breathtaking view of the Grand Harbor from the Upper Barracca Gardens. Then we visit St. John's Co-Cathedral, including the Caravaggio masterpieces in the Oratory, the Flemish tapestries, and the church museum. The Co-Cathedral houses one of the most beautiful marble inlaid floors in the world. Going down Republic Street you will walk past the Grand Masters' Palace and the recently restored St. George's Square before watching the Malta Experience, an audiovisual show where Malta's history throughout the centuries is brought back to life.

THREE CITIES – HALF DAY TOUR (included in the 5-excursion package)

Discover the Grand Harbour area opposite Valletta known as the Three Cities – Vittoriosa, Cospicua and Senglea, where the Knights of St. John first settled in 1530. Driving past Cospicua we reach Vittoriosa for a walking tour through the narrow streets in the shade of historic buildings, including the first auberges of the various languages of the Order. At the Vittoriosa waterfront we take a typical harbor boat (dghajsa) for a tour of the colourful harbor creeks. From the Senglea Garden, situated at the tip of the peninsula, enjoy a stunning 360° view of the Grand Harbor, including the impressive Fort Sant Angelo from where Grand Master La Valette led the defense of the island during the Great Siege of 1565.

GOZO - FULL DAY TOUR (included in the 5-excursion package)

Tour to Malta's sister island of Gozo. After a twenty-minute ferry crossing, upon setting foot in Gozo you will notice that although both islands are similar in history and development Gozo has a character entirely of its own. Gozo, which is a three-hilled island, is greener and more picturesque than Malta. During this excursion, you shall visit the temples of Ggantija, the citadel in Victoria and the bay of Xlendi Free time for shopping will also be given – Gozo is well known for its woollen goods and handmade lace. Lunch is included in the price of the tour.

MDINA – HALF DAY TOUR (included in the 5-excursion package)

A half day tour of Malta's medieval city of Mdina, Malta's former capital. The narrow, winding streets, dating back to the Arab period, lead to the imposing bastions, commanding a panoramic view of the islands. On the way there, you will discover different styles of architecture, including the medieval Siculo-Norman palaces, and other baroque buildings of great historical importance. Time stands still in this 'Silent City' which is a film-maker's paradise. Leaving Mdina through Greek's Gate, we proceed to the cliffs at Dingli. The tour ends with a visit to the San Anton botanical gardens situated near the Presidential Palace, which you will be able to admire from outside.

BLUE GROTTO AND MARSAXLOKK MARKET – HALF DAY TOUR (included in the 5-excursion package)

The idyllic fishing village of Marsaxlokk with its colourful luzzus and unique character make it an unrivalled setting for the local market. This is the perfect place to spend a Sunday morning, where you can rub your shoulders with the locals as you browse through the various stalls. We continue our tour with a visit to the Blue Grotto (weather permitting - boat price not included approx. 9.5 euros) and the nearby caves. Admire the whole expanse of the blue Mediterranean and the islet of Filfla. Later our guide will help you explore one of Malta's unspoilt villages. From the main square, the hub of the village with its parish church and band club, you will be led through a maze of winding narrow streets that all have a story to be told.
