Honeybrook Golf Club 2026 Member Event Packet

HONEYBROOK GOLF COURSE

HONEYBROOK
G O L F C L U B

Welcome Back for the 2026 Golf Season

Spring is just around the corner, and we're excited to welcome you back for the 2026 golf season at Honeybrook Golf Club. We hope you're looking forward to another great year on the course, filled with enjoyable rounds, friendly competition, and time spent with fellow members. We can't wait to see familiar faces return for the start of another great year of golf.

As we look forward to Opening Day on April 4th, please know that our team has been hard at work preparing for the start of the season. The snow was a slight setback, but its presence will allow Ted to bring out the best of a fully healed course. We also anticipate the return of hole #4! Who will be the first person to play it?

Throughout the season, members will have the opportunity to participate in leagues, tournaments, and club events designed for golfers of all skill levels. Information regarding upcoming member events, tournament registration, and the season schedule is shared in this tournament packet.

If there's anything we can do to help you get ready for the year ahead, please don't hesitate to reach out. We're grateful to have you as part of our golf community and look forward to seeing you back on the course soon.

Here's to a great season ahead!

Warm regards,

Jason Castaldi and the 2026 Tournament Committee

HONEYBROOK
G O L F C L U B

2026 Honeybrook Tournament Process

This document outlines the procedures, rules, and policies governing Honeybrook Golf Club member tournaments for the 2026 season. Please review these guidelines prior to registering for events.

1. Tournament Registration

Honeybrook events will be offered primarily through Golf Genius. It is highly suggested that all members download the Golf Genius app. Live scoring may be required in some of this year's events. Email requests and pro shop call-ins may be used as a last resort. All events will be advertised in advance to avoid members missing each tournament's registration deadline.

2. Payment of Tournament Entry Fee

Each event will have a designated entry fee established by Honeybrook GC in collaboration with the Member Tournament Committee that may account for use of the course, prizes, food/beverage, etc. **Tournament entry fees do NOT include fees associated with your membership package (associate greens fees, cart fees, etc.).**

3. Tournament Tie-Breaking

Other than sudden-death playoffs, ties will be decided using the USGA tie-breaker recommendations based on the format of the event. Tie-breaking will be used for all place finishers. As an aside, the HB Member/Guest shall be a stand-alone event with its own specific package.

4. Member Tournament Committee

The Honeybrook GC Member Tournament Committee is responsible for collaborating with Honeybrook management to ensure that all member events are carefully planned and performed to meet the highest of standards. This year's Member Tournament Committee representatives are:

Tim Arndt - David Herbine - Peter Horvath - Allison Long

Jane Riley – Kevin Hailey - Ned Scheffler - Kendrick Stradley - Jim Barnett

2026 Honeybrook Event Information

Event Sign-up

The Honeybrook GC tournament calendar includes a variety of events offering the entire golf membership an opportunity to participate. Each event is unique in its description and format. Golf Genius will continue to be our primary method for tournament sign-up. Members may also find registration links through posted flyers with QR codes, the member newsletter, and/or HBGC webpage. If all else fails, entry to tournaments may be conveyed by calling the pro shop or emailing Jason at jason@honeybrookgolf.com.

Event Eligibility

Participants must be a Honeybrook GC member in good standing (excluding guest events). Specifics to each tournament will be displayed as the events approach and can also be found in the member newsletter and/or webpage. Juniors, staff, and guests may be eligible for select tournaments.

Tournament Tee Options

In general, contestants will play from the designated tournament tees. A senior option of gold tees (men) and light blue tees (women) may apply to members aged 65+ if their combined age and handicap reach 80. Appropriate handicap adjustments will apply.

Honeybrook GC is exploring the use of the **LongLeaf tee system**. This will offer members a wider choice of tee selection based on driver length off the tee. Further details regarding this endeavor will follow as the system falls into place.

Tournament Rules

USGA rules govern all play except where modified by local rules. Questions and disputes regarding the rules are to be handled by the golf professional staff.

Golf Shop Tournament Credit

Many of HBGC events result in the winner receiving golf shop dollars (GSD). GSD will be applied to your green loyalty card at the conclusion of events. Credit or certificates may not be transferred from one account to another. GSD may be used toward future merchandise purchases only. **Credit may not be used toward account balances or food and beverage tabs.**

2026 HONEYBROOK WEEKEND MEMBER MATCHES

The Honeybrook Weekend Member Matches are designed to provide a fun, competitive, and organized playing opportunity for members throughout the golf season. These matches encourage participation, camaraderie, and friendly competition among members while offering a variety of formats that keep each weekend fresh and engaging.

The procedures outlined in this document are intended to ensure that events run smoothly and fairly for all participants. By establishing clear expectations for registration, pairings, scoring, and event administration, we aim to create an enjoyable experience for both regular participants and members joining the matches for the first time.

PROCEDURES

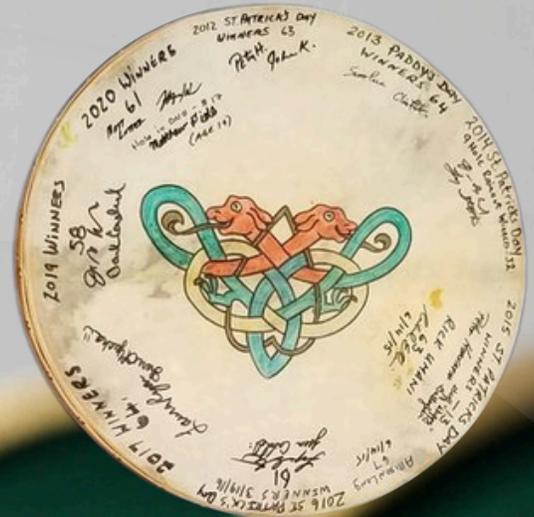

1. Member matches will take place on available Saturdays and Sundays during the golf season.
2. Members must sign up through Golf Genius by **6pm the day before** a competition. A rough draft of tee times and playing partners will be communicated through email shortly after the deadline.
 - a. Members without adequate internet communication must reach the clubhouse before the 6pm deadline.
 - i. Emailing Jason is also fine (jason@honeybrookgolf.com).
 - b. Email invitations will be sent earlier in the week (usually between Mon-Wed).
 - c. Please be proactive with signing up and courteous with dropping out.
3. Check your email the morning of play for possible revisions.
4. Members who express interest after the deadline will be accommodated as best as possible, but may not be guaranteed a spot.
 - a. Any group that is short a player may be subject to a blind draw that best represents the missing player.
 - b. The blind draw player does NOT receive winnings.
5. Pairings will be completed through Golf Genius unless modified by the organizers in relation to the weekly format.
6. All scorecards should show **gross scores** and will be collected after play for related event purposes (ie. Ringer Board, Order of Merit).
7. Tee time order will be created through Golf Genius unless modified by the organizers.
8. Groups participating in another Honeybrook event (Piersol Cup, 2-man Better Ball, etc.) are NOT eligible for member matches unless agreed to by the organizers.
9. The weekend member match season schedule showing format and entry fees can be seen on the following page.
 - a. Money should be collected and disbursed by the "first group in" AFTER the round.
 - b. Players who withdraw from the competition **before completing the turn** may be excused from the entry fee if agreed to by the organizers.

2026 Honeybrook Weekend Member Match Schedule

Saturday	11-Apr	Member Match 1	1 Gross, 2 Net	\$10 per person
