CARE FOR ALL
CAPITAL CAMPAIGN

EXPANDING ACCESS • CHANGING LIVES

LIVING UP TO OUR MISSION

Care for All – at AllWays Community Health Center our mission is to provide outstanding medical, dental, and behavioral care for all, regardless of their ability to pay. **We are expanding our services by opening an additional clinic in downtown Atchison.** This new facility enables us to serve even more people, adding patient rooms and expanded space for our providers. Perhaps the most significant improvement: **our new location is in the heart of town, making our services more accessible.**

Today, 45% of ACHC patients are uninsured and 24% are at or below the poverty line – the good news is that at **ALLWAYS COMMUNITY HEALTH CENTER**, insurance and income status are never an impediment to those in need of care. This is possible because of you!

The **CARE FOR ALL** Capital Campaign will complete the renovation of our new Downtown Atchison facility. Through the efforts of our outstanding staff, board of directors, and friends in our community, **we have been able to raise \$1.2 million of our \$2 million dollar need.** We are seeking your assistance in raising an additional \$750,000 to complete this new facility. This will have a lasting impact on the health and well-being of our patients and our community. We humbly ask that you help us complete this effort; thank you for your consideration.

THE ACHC MISSION

ALLWAYS COMMUNITY HEALTH CENTER
offers compassionate, high-quality
healthcare for all.

Compassion

Every aspect of our services are provided in a kind and caring way. We listen to you and collaborate with you to improve your health.

Dignity

Every person deserves a high quality of life. We will meet you where you are, along your healthcare journey.

Accessibility

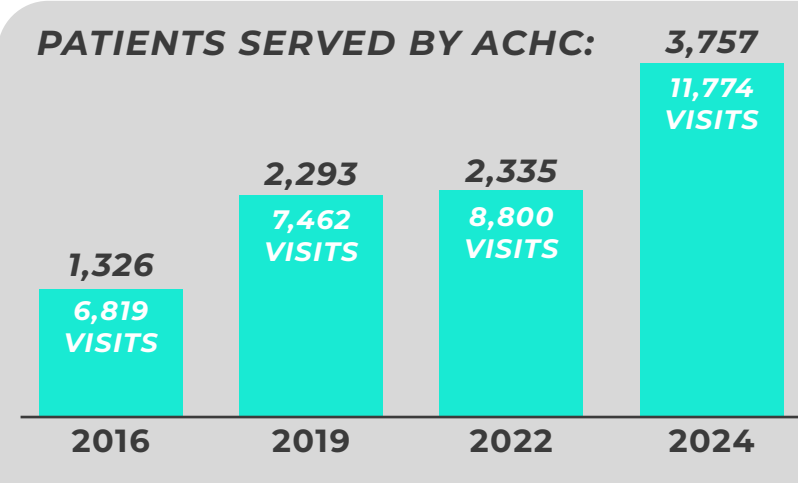

Quality healthcare is for everyone, regardless of a person's ability to pay. We help you overcome barriers so that you can experience better health.

THE PROBLEM

Since 2009 we have been providing quality Medical, Dental, and Behavioral healthcare in Atchison, providing services regardless of insurance or income status. At ACHC, there are no barriers when someone needs access to care. We have outgrown our 2nd Street location and in 2021, purchased a building in Downtown Atchison. While we have been able to raise funds to begin construction, we need your help to complete the project.

Stats from 2024

THE SOLUTION

In 2025 we started the process of renovating our new location in Downtown Atchison. This new facility will increase accessibility to care, create additional space for our staff and providers, and increase our dental capacity at our current location.

- ***9 New Medical Exam Rooms***
- ***New Lab & Lab Draw Room***
- ***New Behavioral Health Space***
- ***Community Health Office***
- ***Prescription Assistance Space***
- ***Staff Training & Meeting Areas***

FREQUENTLY ASKED QUESTIONS

Why are you having a capital campaign?

Over the last eight years, ACHC has seen a steady increase in visits and patients served. The **CARE FOR ALL** Capital Campaign will provide the resources needed to renovate the newly purchased facility in Downtown Atchison. This new location will increase accessibility for patients.

What does Expanding Care mean?

Nine additional exam rooms will provide space for more patients and visits. This new facility will increase operational efficiency, improving and expanding patient care and comfort. The facility will be the central location for primary care and mental health services, while the current facility will primarily provide dental services.

There has been ongoing discussion of ACHC's expansion. Is it now underway?

Construction and renovation has begun – we are moving forward. ACHC expects to complete the project by Spring of 2026. It's right around the corner. We ask you to help us make that possible.

How is ACHC funded?

ACHC receives funding through federal grants, foundational grants, donations, and patient service revenue. ACHC offers services on a sliding scale based on patient needs, and we provide care regardless of financial circumstances or insurance/Medicaid status. ACHC is the only FQHC in northeast Kansas and next closest ones will be Douglas and Shawnee Counties, which opens the door for specific grant opportunities.

How long is the CARE FOR ALL CAPITAL Campaign?

The **CARE FOR ALL** Capital Campaign is a three-year campaign. While our needs are immediate, our goal is attainable. Those donating to the campaign may complete their commitment as a one-time gift, three-year commitment, or a payment schedule that is appropriate for them personally. **These payment schedules are available to meet the total \$2 million campaign goal.**

PLANNING YOUR GIFT

Any gift to our capital campaign, large or small, is a tremendous help as we seek to complete this exciting project.

“Without this clinic I would not be able to afford healthcare.. I am grateful to the doctors and staff for helping me get on the road to becoming healthy - not only for me, but for my child as well.” - ACHC Patient

WAYS TO GIVE

Cash or Check

A gift of cash or check is the simplest way to give. A gift of cash benefits ACHC by providing immediate cash flow that will help us fund the ongoing renovation of the new facility.

Pledge

A three-year pledge allows you to maximize your giving to the campaign by spreading your gift over three years. Your pledge payments can be set up as automatic withdrawals from your bank account or you can make scheduled payments by check.

Gift of Securities

Gifts of securities (stocks, bonds, mutual funds) are a great way to make a gift or pay down your pledge. If you donate an appreciated security, you can avoid paying capital gains taxes. If you would like to make your gift in this manner, please contact us by phone at 913.367.4879 for instructions to assist your advisor on how to deliver the security to the campaign.

Donor Advised Fund

If you have a Donor Advised Fund, you can make gifts and pledge payments from your fund.

Qualified IRA Charitable Distribution

Normally, a distribution from your IRA is taxed as ordinary income, but a special IRS provision allows those who are 70½ or older, to make a direct gift from your IRA to any qualifying charity, federal tax free. Your gift counts toward your required minimum distribution (RMD). You can make a gift in any amount up to \$105,000 per year to the campaign.

Commodities

This could be a great time to turn bushels of grain, corn, or soybeans into a gift to the campaign. Depending on the circumstances, farmers who make a gift could potentially save on taxes and deduct the cost of production.

"I like the quality of healthcare, especially that the providers listen. I wasn't treated like a patient, but like a human being and a friend. I have finally received answers and treatments that are working."
