GREAT FUTURES START HERE.

The BGCRV Experience

- **Boys & Girls Clubs of the Red River Valley** offers youth development programs for before school, after school, and school-out days at 12 Fargo locations for youth grades K - 5.
- All day **summer programming** occurs at various Fargo locations.
- **The CLUB Teen Center** provides after school and summer programs for teens in 6th to 12th grade at our Midtown location.
- We provide **flexible and affordable programming** for families, including accepting NDCCA, our sliding fee program, and the Great Futures Fund.

Our Impact

BGCRRV Celebrates 50 Years!

In 2022, Boys & Girls Clubs of the Red River Valley celebrated our 50th Anniversary of positively impacting the lives of youth in our community. The week-long celebration was capped off by hosting a Community Dance Party!

INTERNET SAFETY!

Internet safety training is one of the many safety requirements of BGCA, and we are providing that important training for youth at all of our sites.

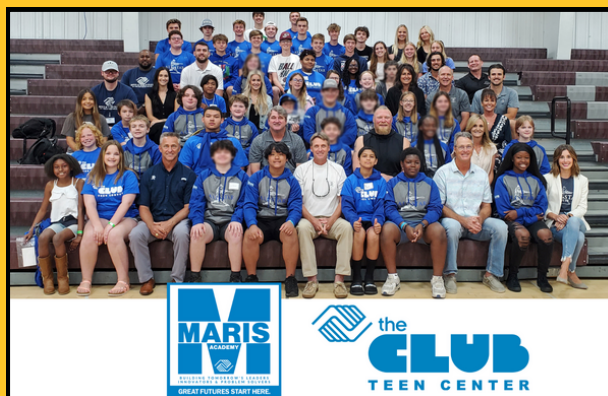

New! The Maris Academy

The Maris Academy, a partnership with Sanford Health and The CLUB Teen Center, is a year-long program designed specifically for grades 6-12 that provides exciting career exploration opportunities right here in our community. Participation in the Maris Academy offers teens combined educational and mentorship opportunities designed to help them develop a vision for their future, discover new and unique occupations, and explore their personal interests and strengths.

Some of the completed career exploration experiences include:

- Sanford POWER Center
- NDSU School of Pharmacy
- Fargo Parks Forestry Department
- M State - Cardiovascular and Surgical Tech
- Elite Therapeutic Massage & Health Partners
- Sanford Ambulance

We're so appreciative of the community relationships this new initiative has fostered.

ROTO Graduates

Group of Teens Graduates from ROTO

Reach One Teach One (ROTO) is about health, community, and responsibility. This weekly peer education program gave our Teen Club an opportunity to learn about real-life issues related to sexuality, and then share that knowledge with others. While in ROTO, youth 14-18 [with prior parental permission] participate in engaging discussions, games, and activities that cover a variety of topics, including: communication skills, goal setting, relationships, consent, abstinence, birth control, decision-making, and STI/HIV/AIDS.
