BOYS & GIRLS CLUBS
OF THE RED RIVER VALLEY

The **simplest things**
are the **greatest gift.**

As kids navigate our complicated and ever-changing world, it's the seemingly simple things that matter most.

For PJ's family, it's a fun and safe place to go after school. "Moving to a new city is never easy for kids, and I can honestly say the Boys & Girls Club has been such a bright spot for PJ. He is going through a little bit of an emotional rough patch, but having the outlet after school to connect with new friends has been really great for him," said PJ's dad.

Yes, our world is complicated, but the Boys & Girls Clubs of the Red River Valley gives kids like PJ the safe places, caring mentors, and life-shaping experiences they deserve.

When it comes to supporting today's youth, the simplest thing is often the greatest gift.

Your donation today will provide a simple yet invaluable gift to thousands of kids and teens in our community by helping us to fulfill our mission to provide a safe, caring, and fun environment for youth to learn, grow, and prepare for a great future.

The CLUB Teen Center visited Sanford AirMed recently and had the opportunity to meet the flight crew, registered nurse, and paramedic and tour one of Sanford's fixed-wing planes.

Sanford AirMed provides emergency care in the air. Their air ambulance service treats thousands of patients annually by providing life-saving care while getting patients where they need to go safely and quickly.
