

Disaster & Fire Emergency Plan

ARROWCREEK EMERGENCY EVACUATION ROUTES

The Evacuation of the ArrowCreek community is on an “as directed” basis by Washoe County officials and may include use of any or all Evacuation Routes. The main entrance/exit gate on ArrowCreek Parkway is the primary emergency evacuation route for the ArrowCreek community.

An additional evacuation/fire exit road may be used to leave the community during an emergency on the order of the Incident Commander -- Sheriff or Fire Chief— only!

Staff from the Fire Department or the Sheriff will direct residents to appropriate evacuation routes – and the direction which residents should proceed on any particular route depending on where the fire is coming from at that time.

Additional Exit and Emergency Evacuation Route out of ArrowCreek

- Exit at the end of Granite Point Court in Granite Point I to city streets

Connecting Fire Roads within ArrowCreek

- Between Silver Vista Drive and Echo Ridge Ct. or Spirit Ridge Ct. in Desatoya II: Drive to ArrowCreek Parkway via Painted Vista.
- Between both Flowering Sage Trail and Cour St. Michelle connecting to Copper Cloud Drive down to ArrowCreek Parkway West. Turn right and continue down to the main entrance gate.
- Between Via Bianca and Harbottle connecting to High Vista Drive continuing down to ArrowCreek Parkway.
