

## Property Owner/Tenant Vehicle Registration Application

☐ **Property Owner**

☐ **Tenant/Renter - (Copy of Lease Required)**

### Instructions:

- Please complete this form legibly to ensure uninterrupted entry into the community.
- You must also attach a **copy of each vehicle's registration to the application**. Only vehicles registered to the property owner or tenant will receive a transponder.
- Property Owners and tenants are required to purchase the transponder, attach a check or money order payable to the ArrowCreek Homeowner's Association for the amount equal to the number of transponders requesting times the cost of the transponder.
- (\$30.00 for each window transponder and \$55.00 for each handheld transponder).
- You can stop at the Gatehouse and check if your application has been approved and your transponders are ready for installation.

I accept responsibility for all vehicles registered to my address. I will not hold the ArrowCreek Homeowner's Association responsible for any damage to my vehicles due to my failure to adhere to the entrance procedures. I authorize the HOA to use the provided information to notify me/us about HOA business/events. I understand that use of my transponder is a privilege and not a contractual right. Transponder use may be turned off due to speeding, reckless driving, and unpaid violations, and I/we, the owner(s) will be able to enter the community by going through the manned gate.
