

Presentations Ineke (Neelina Hermina) Malsch

Presentations during scientific events

[4-6 May 2026. STS Graz 2026. I co-host a session on "Identifying gaps in social and ethical foresight methodology for nano-enabled advanced technologies", led by Ineke Malsch, Carlos E. Gomez-Camacho, Fernand Doridot en Andreas Falk.]

17-19 September 2025. I led a workshop on Ethics and Responsible Innovation in Nanomedicine during the MELOMANES Doctoral Training Network events in Amsterdam: <https://ethicschool.nl/melomanes-ethics-of-nanomedicine-course>

4 September 2025. Ineke Malsch: Adapting ethical impact assessment to needs of innovators. Dutch Impact Alliance live event. UMC Groningen. <https://ethicschool.nl/adapting-ethical-impact-assessment-to-needs-of-innovators>

5-7 May 2025. STS Conference Graz 2025. I organised a session on "Ethical challenges & role of societal stakeholders for building a pan-European training partnership for (research and) innovation on safe and sustainable nano- and advanced materials" together with partners in the INISS-nano network and presented the introduction: <https://stsconf.tugraz.at/>

11 March 2025. Ineke Malsch: Ethical Impacts and Value Conflicts over H2-storage in Salt Caverns near Zuidwending. Guest lecture Societal Values - HAN Hogeschool.

21-22 February 2025. Ineke Malsch: Ethical Impacts and Value Conflicts around H2 storage in Salt Caverns in The Netherlands - ANSOLEs 14th Anniversary International Online Conference (A2IOC 2025) & 1st WAITRO SDG7 Working Group Online Conference (WAITRO-WG7-25)

18 December 2024: Ineke Malsch: International collaboration on ethical and societal aspects of nanotechnology. INISS-nano online meeting: <https://www.nanosafetycluster.eu/cooperation/>

12 December 2024: Ineke Malsch: Addressing emerging ethical impacts of artificial intelligence used in the next-generation chemical risk assessment. Ethics webinar – Partnership for the Assessment of the Risks from Chemicals: <https://www.eu-parc.eu/>

20-21 November 2024: Ineke Malsch: "Dual use ethics in international research collaborations", Erlangen II conference, Nuremberg, Germany.

24 October 2024: Ineke Malsch: Dual use ethics in international research collaborations. Ethics by Design '24 online conference: <https://itech.lukasiewicz.gov.pl/en/conference-ethics-by-design-24-2/>

27 juni 2024: Ineke Malsch: Human Needs Driven Research. Impact Alliance Live. KWR Nieuwegein: <https://www.kwrwater.nl/actueel/impact-alliance-live-at-kwr/>

11 Januari 2024: Ineke Malsch: Assessing Ethical Impacts of (Not) Sharing Nanosafety Data. Bioinformatics in Action seminar. BigCat, Maastricht University.

8 November 2023: Ineke Malsch: Ethical control approaches. Invited presentation during Erlangen Conference, 8-9 November, Nürnberg, Germany: https://www.bafa.de/SharedDocs/Pressemitteilungen/DE/Aussenwirtschaft/2023_18_erlangen_initiative.html

26 October 2023: Ineke Malsch. Assessing ethical impacts of (not) sharing nanosafety data. Online presentation during Ethics by Design conference. Warsaw, Poland. <https://orgmasz.pl/en/conference-ethics-by-design-23/>

18 October 2023: Ineke Malsch. Assessing ethical impacts of (not) sharing nanosafety data. Online presentation during XX International Seminar Nanotechnology, Society and Environment, Universidade Federal do Espiritu Santo, Brazil: <https://www.nanotecnologiadoavesso.org/content/xx-semin%C3%A1rio-internacional-nanotecnologia-sociedade-e-meio-ambiente-e-xx-semana-nacional-de-> (in Portuguese)

9 October 2023: Ineke Malsch: chair webinar on reflections on precautionary principle and nanosafety. ANSOLE, INISS-nano and Nanosafety Cluster: <https://ethicschool.nl/reflections-on-precautionary-principle>

2 October 2023: Ineke Malsch, report on break-out group International collaboration on ethical and societal aspects of nanotechnology. 6th EU-Asian Dialogue on Nanosafety. INISS-nano online meeting

21 June 2023: Ineke Malsch: break-outgroup leader International collaboration on ethical and societal aspects of nanotechnology. 6th EU-Asian Dialogue on Nanosafety. Berlin, Germany.

15-16 June 2023: Malsch, Ineke; Isigonis, Panagiotis; Bouman, Evert. Afantitis, Antreas; Melagraki, Georgia; Dusinska, Maria: Ethical impacts of (not) sharing nanosafety data. Poster at RiskGONE final conference, Madrid: 10.5281/zenodo.8138350

6 October 2022. Ineke Malsch. [A 3-dimensional approach to do-it-yourself ethics of water related research](#). International Water-Climate Summer School, Mahikeng. North-West Province, South Africa.

21 September 2022. Convenor Pan-African initiative to build research and innovation capacity to achieve SDG7 for Africa, [SSUNGA77](#), New York. Download the [rapport](#).

18-07-2022. Ineke Malsch: chair session on ethics pillar of International Networking Initiative on Safe and Sustainable Nanotechnology. 5th EU-Asian Dialogue on Nanosafety, Kuala Lumpur, Malaysia (hybrid): <https://ethicschool.nl/international-collaboration-on-ethical-and-societal-aspects-of-nanotechnology>

20-24 juni 2022. Malsch, Ineke; Isigonis, Panagiotis; Bouman, Evert. Afantitis, Antreas; Melagraki, Georgia; Dusinska, Maria: Integrating ethics in risk governance of nanomaterials in tyres. Nanoweek 2022, Limassol, Cyprus (poster + pitch 3 min.): <https://zenodo.org/record/6656457#.YsV43WDP23B>

4 February 2022 online presentation on EU-African research cooperation in Renewable Energy and the EU Green Deal, A2IOC virtual conference, <https://ansole.org/>

19 November 2021 intro & roundtable leader African-European cooperation in Renewable Energy, hybrid Energy Conference 2021, Yaoundé, Cameroon, <https://ansole.org/>

18 November 2021 Demonstration Ethical Impact Assessment of Nano in Dentistry. NanoCOMMONS trainings: https://www.youtube.com/watch?v=Ek2oQS_95VY&t=4s

29-30 September 2021. Ineke Malsch, Panagiotis Isigonis, Evert Bouman, Antreas Afantitis, Georgia Melagraki, Maria Dusinska. Fostering regional stakeholder engagement in ethical risk governance of nanomaterials. SEERRI final conference poster session (online poster + 3 minute video): <https://conference.seerri.eu/>

17-28 May 2021. Nils Bohmer, Ineke Malsch, Maria Dusinska. Science-Based Risk Governance of Nanotechnology. Poster presented at New HoRRIZon final conference. <https://newhorizon.eu/>

5-6 May 2021. Malsch, Ineke; Isigonis, Panagiotis; Bouman, Evert; Afantitis, Antreas; Melagraki, Georgia; Dusinska, Maria. Exploring User Interest in Ethical Tools for Nano-Risk Governance. Poster presented at EuroNanoForum 2021. <https://zenodo.org/record/4701051#.YJAOKrUzbqU>

4-5 February 2021. Ineke Malsch, Panagiotis Isigonis, Evert Bouman, Antreas Afantitis, Georgia Melagraki, Dalila Antunes, Maria Dusinska. Exploring ethical impacts of nanotechnology for water and sustainable energy. ANSOLE DAYS and BALEWARE 2021. <https://ansole.org/>

18 November 2020. Ineke Malsch, Panagiotis Isigonis, Evert Bouman, Antreas Afantitis, Georgia Melagraki, Iseult Lynch, Mihaela Roxana Cimpan, Maria Dusinska. Reflecting on Ethical, Legal and Societal Aspects of Nanosafety. Nanosafe 2020. <https://www.nanosafe.org/cea-tech/pns/nanosafe/en>

16 November 2020. Ineke Malsch, Panagiotis Isigonis, Evert Bouman, Antreas Afantitis, Georgia Melagraki, Iseult Lynch, Mihaela Roxana Cimpan, Maria Dusinska. Screening Nano-Ethical Issues. NSC Training Day, Nanosafe 2020. <https://www.nanosafe.org/cea-tech/pns/nanosafe/en>

1 April 2020. Ineke Malsch. Experiences in training Responsible Research and Innovation. Social Lab 5 – New HoRRIZon project. Online presentation. www.newhorizon.eu

17-19 June 2019. Ineke Malsch, Panagiotis Isigonis Maria Dusinska. Embedding Ethical Impact Assessment in Nanosafety Decision Support. Oral presentation at Environmental Health and Safety of Nanomaterials symposium, Nanotech 2019 Conference and Expo, Boston, MA, USA

17-19 May 2019, I contributed lectures on Responsible Innovation and Do-it-yourself ethics to the RRIC workshop in Armenia. <https://ethicschool.nl/building-capacity-for-responsible-research-and-innovation-in-armenia>

17-1-2019. I monitored the discussions and prepared a report on relevant ethical issues during the ORCHID strategy workshop, Leiden, The Netherlands: <https://h2020-orchid.eu/>

11-12 December 2018 MicroNanoConference, Amsterdam, <https://fhi.nl/micronanoconference/> I presented the poster by Lucia Martinelli, Ineke Malsch, Dora Fazekas: Citizens' imaginations drive innovation strategies for nanomedicine and nanosensors, presenting Nano2All.

29-31 October 2018. INDTECH 2018, Vienna, Austria. I presented "Skills for Risk Management" on behalf of Nano2All. <https://www.indtech2018.eu/>

25-27 June 2018. S.NET 2018. Maastricht <http://www.maastrichtsts.nl/snet/> I presented Future Technologies We Want

4-5 June 2018. JRC-FTA 2018 conference, Brussels. Nano2All www.nano2all.eu hands-on session: "Exploring Nanotechnology strategies with the Scenario Exploration System". <https://ec.europa.eu/jrc/en/fta2018>

9-12 April 2018. 11th OECD-conference on Rural Innovation, Edinburgh, Scotland, UK. Invited speaker on the Future of Health. <http://www.oecd.org/rural/rural-development-conference/>

14-15 March 2018. Dual use export seminar, Kiev, Ukraine, P2P programme, EU. I presented Do-It-Yourself ethics of dual use technology.

12-13 December 2017. The Sense of Contact. Side event international MicroNanoConference, Beurs van Berlage, Amsterdam. I presented a poster on Do-It-Yourself ethics of sensor networks.

20-21 November 2017, PRISMA workshop Berlin. I participated in panel discussion on experience in EU projects on responsible innovation.

27 October 2017, INCOBRA workshop Responsible Research and Innovation, Porto Alegre, Brazil. I was key-note lecturer on responsible innovation.

12-13 October 2017, ISTC-seminar dual use export controls, P2P programme, EU, in Astana, Kazakhstan. I present do-it-yourself ethics of dual use technology.

18-19 September 2017, SATORI final conference, Brussels. I presented posters on Nano2All and SYNENERGENE.

1-3 March 2017, Risk Governance for Key Enabling Technologies Policy Forum, Venice, Italy. Ineke Malsch presents "Pitfalls of Interdisciplinarity", and is a panellist in the session on social sciences and risk governance: <http://www.sra.org/riskgovernanceforum2017/> / www.sun-fp7.eu

7-9 February 2017, New Tools and Approaches for Nanomaterial Safety Assessment Conference, Malaga, Spain. Ineke Malsch presents "DECISION SUPPORT IN COLLECTIVE DIALOGUE ON INTERNATIONAL REGULATION OF NANOMATERIALS": www.sun-fp7.eu

11-13 December 2016, BALEWARE 2016 at NM-AIST, Arusha, Tanzania. Ineke Malsch is co-organiser. www.baleware.org

3 November 2016: annual meeting National Platform Nanomedicine, RIVM, Bilthoven. Presentations on results of Nano2All (www.nano2all.eu) and SUN (www.sun-fp7.eu) Info: <http://www.rivm.nl/Onderwerpen/N/Nanotechnologie>

12-14 October 2016, The S.NET 2016: The Co-Production of Emerging Bodies, Politics and Technologies. Ineke Malsch co-organises a special session on 'Setting the agenda for NANO2ALL dialogues', at University of Bergen, Norway. Info: <http://www.uib.no/en/svt/92313/S-NET-Conference-2016> and www.nano2all.eu

5 October 2016: 3rd SUN Stakeholder Workshop, Heriot Watt University, Edinburgh, www.sun-fp7.eu Ineke Malsch is co-organiser

24-29 January 2016, Sustainable Nanotechnology School, Ca'Foscari University, Venice, Italy, www.sun-fp7.eu presentation Ineke Malsch: Stakeholders' participation in international governance of nanotechnologies.

28 January 2016, workshop Risk Governance of Nanomaterials, Ca'Foscari University Venice, Italy, www.sun-fp7.eu presentation Ineke Malsch: nano risk governance

18-19 November 2015, MINAPIM seminar, Manaus, Brazil, presentation Ineke Malsch: Nano education http://www.suframa.gov.br/MINAPIM/ptbr_index.cfm

4-9 October 2015, Symposium "Interaction Between the Immune System and Nanomaterials: Safety and Medical Exploitation", ESF-EMBO, Pultusk, Polen, <http://nanomaterials.esf.org/> presentation Ineke Malsch: "Responsive Tertiary Nano-education"

16-18 July 2015, ANSOLE DAYS 2015, Arusha, Tanzania, www.ansole.org presentation Ineke Malsch: "Roadmap for Deployment of Nanotechnology for Sustainable Energy Applications" www.ansole.org

9-11 March 2015, Sustainable Nanotechnology Conference, presentation Ineke Malsch: "Empowering Citizens in International Governance of Nanotechnology", SNO-SUN-GUIDENANO, Venice, Italy, <http://www.sun-fp7.eu/events/upcoming-events/eu-us-sustainablenanotechnologyconference2015/>

16 January 2015, Ineke Malsch: A Crash Course in Do-It-Yourself Ethics of Nanotechnology, during Sustainable Nanotechnology School, Venice, Italy, www.sun-fp7.eu

3 December 2014, Ineke Malsch: Responsible development and deployment of Nanotechnology, during International Congress & Expert Workshops - "Nanotechnology for Industry: Nanomedicine, Energy & Environment", NMP-DeLA, Santiago de Chile, Chili, www.nmp-dela.eu

12 November 2014, Ineke Malsch: A Crash Course in Do-It-Yourself Ethics of Nanotechnology, during NMP-DeLA Summerschool Nanotechnology, Water and Energy, Monterrey, Mexico, www.nmp-dela.eu

21-24 September 2014: Ineke Malsch, organiser roundtable "Computer guidance and decision making for safe and sustainable nanomaterials" and presentation: "Introduction to the methodology" during the S.NET 6th Annual Meeting "Better Technologies with No Regrets?" Karlsruhe Germany, www.itas.kit.edu/snet2014

27 August 2014, Ineke Malsch "A Crash Course in Do-It-Yourself Ethics of Emerging Technologies", Royal Dutch Institute for the Tropics (KIT), Amsterdam

13-06-2014: Ineke MALSCH, Vrishali SUBRAMANIAN, Elena SEMENZIN, Danail HRISTOZOV and Antonio MARCOMINI Collective decision making on risk management and sustainable manufacturing of nanomaterials and the role of decision support tools, Oral presentation, STS-Italia, Milano, 12-14 June 2014, www.stsitalia.org

11-06-2014: Ineke Malsch, Stakeholder Involvement in Responsible Governance of Nanomaterials, seminar Ca' Foscari University, Venice, Italy

21-05-2014: Ineke Malsch: Metodología por investigar Nanoética, Carrera de Posgrado "Especialización en Análisis de Inteligencia Estratégica", Buenos Aires, 21 Maio 2014, www.iifa.mil.ar (presentation about nanoethics methodology for postgraduate students in strategic intelligence)

22-05-2014: Ineke Malsch: The EU strategy on responsible nanotechnology development, lecture during NMP-DeLA summerschool Nanotechnology and Health, Buenos Aires, www.nmp-dela.eu

22-05-2014: Ineke Malsch: The EU Action Plan for nanotechnologies, lecture during NMP-DeLA summerschool Nanotechnology and Health, Buenos Aires, www.nmp-dela.eu

22-05-2014: Ineke Malsch: Consumer information on nanotechnologies, lecture during NMP-DeLA summerschool Nanotechnology and Health, Buenos Aires, www.nmp-dela.eu

11-12 December 2013, MicroNanoConference 2013, Ede, www.micronanoconference.nl Ineke Malsch presents poster on EthicSchool: www.ethicschool.nl/english

18-20 September 2013, Nanoforum, Sapienza University, Rome, Italy: Ineke Malsch chairs workshop Communicating Nanoscience & Nanotechnology: www.nanoforum.it

13 September 2013, Ineke Malsch, "Responsible Governance of Emerging Technologies at Global Level" paper presented during online EthicSchool summerschool on Ethics of Emerging Technologies, 9-13 September, www.ethicschool.nl

18 June 2013, Ineke Malsch presented poster "EthicSchool: Training Responsible Nano-Innovation" at Euronanoforum 2013, Dublin, www.euronanoforum2013.eu

23 April 2013, Ineke Malsch, "Nanotechnologie en bioveiligheid", (nanotechnology and biosecurity) presentation during symposium BVF-platform (association of biosafety officers), Ede www.bvfplatform.nl

10 December 2012, Ineke Malsch: "Responsible Innovation in Practice", MicroNanoconference 2012, Ede, www.micronanoconference.nl

1-30 November 2012, Ineke Malsch: "Responsible Innovation in Practice", paper presented during online 2nd World Sustainability Forum, www.sciforum.net

6 November 2012, Ineke Malsch, "Biosecurity by Design," presentation during EthicSchool workshop Verantwoord innoveren in life sciences: biosecurity by design, EthicSchool, www.ethicschool.nl

22-25 October 2012, oral presentation "Responsible Innovation in Practice" the S.NET conference, University Twente, http://www.utwente.nl/igs/conference/2012_snet_conference/

2-4 April 2012, oral presentation "Ethics and Responsible Development of Nanotechnology for Energy, Water and the Environment in Europe (and international), poster presentation "Nano in Latin America", during ICPC-NanoNet final workshop, Goa, India, www.icpc-nanonet.org

1 March 2012, presenter ObservatoryNano final symposium, Brussels www.observatorynano.org

4 februari 2012, lezing "Aarde, techniek en haar bewaring", dispuut Am. St.E. Lo. D.A.M.E.N.S.E. der C.S.F.R. (lecture Earth, Technology and its Conservation)

8-12-2011 Poster presentations "Through Biosecurity to Peace" on behalf of Pax Christi International and "Nanotechnology and Biosecurity" on behalf of ObservatoryNano, BTWC RevCon, Geneva, Switzerland
[http://www.unog.ch/80256EE600585943/\(httpPages\)/04FBDD6315AC720C1257180004B1B2F?OpenDocument](http://www.unog.ch/80256EE600585943/(httpPages)/04FBDD6315AC720C1257180004B1B2F?OpenDocument)

14-16 November 2011, lecture during Nano-Peru 2011, Lima, <http://fisica.unmsm.edu.pe/~nanoperu/webnano2011/general/home/index.php.html>

9-11 November 2011, lecture during NanoMex2011, Merida, Yucatan, Mexico: <http://www.ceiich.unam.mx/nanomex2011/>

23-24 August 2011, invited lecture "Nanotechnology", nanotechnology conference, UNAL, Bogota, Colombia, <http://www.unal.edu.co/index.html> ;
<http://www.agenciadenoticias.unal.edu.co/nc/detalle/article/leyes-internacionales-regularian-la-nanotecnologia.html>

16-17 June 2011, presentation "Euro-Mediterranean nanoresearch cooperation opportunities: ICPC-NanoNet support", during 2nd Moroccan Days on Nanoscience and Nanotechnology, Fes, Morocco

28 May 2011, online guest lecture on Nanotechnology and Society, UNAL, Bogota, Colombia, <http://www.unal.edu.co/index.html>

24-25 May 2011, ICPC-NanoNet workshop, St Petersburg, Russian Federation, www.icpc-nanonet.org presentation on Nano in Latin America

17-18 november 2010: spreker debat nanotechnologie, vrede en veiligheid tijdens MicroNanoconferentie, Enschede, www.micronanoconference.nl onderdeel van Nanorecht en Vrede, mede mogelijk gemaakt door Nanopodium www.nanopodium.nl. Info Ineke Malsch: postbus@malsch.demon.nl

30 September 2010, teleconference lecture on the ICPC-NanoNet project at Nanotechnology and Mechatronics International Forum, Cartagena, Colombia, <http://www.foronanomecatronica-uac.com/>

9-10 September 2010, participation in Nanoregulation Conference, University Twente, Enschede, Ineke Malsch: lecture on nanobioethics

14-15 June 2010, ICPC-NanoNet symposium, Beijing, presentation on nanotechnology in Latin America, www.icpc-nanonet.org

Ineke Malsch & Kristian Hvidtfelt-Nielsen, "Nanobioethics" 2nd Annual Report on Nanoethics and Ethical, Legal and Social Aspects of Nanotechnology, 21 April 2010

Bart Walhout, Ira van Keulen, Rinie van Est, Ineke Malsch, Nanogeneeskunde in Nederland, Den Haag: Rathenau Instituut, 16-4-2010, www.rathenau.nl

1 March 2010, UMCN Nijmegen, Erasmus Mundus Master Bioethics, lecture on Ethics of Nanomedicine, www.masterbioethics.org

2 December 2009, 12.45-15.15 GMT Nanotechnology for Water Purification 1, ICPC-NanoNet online workshop, presentation on EU funding opportunities, www.icpc-nanonet.org

2 november 2009, Radboud Universiteit, Centrum voor Ethiek, lezing over nanoethiek, <http://www.ru.nl/cve/>

2-5 June 2009, Euronanoforum2009, Prague, Czech Republic, www.euronanoforum2009.eu / annual conference ICPC-NanoNet project, www.icpc-nanonet.org Lecture nano in Latin America

25 May 2009, COMECE Bioethics Reflection Group, Brussels, www.comece.org: Lecture on Human Enhancement

18-19 May 2009, UNESCO/ISESCO Expert Meeting on Nanotechnology and Ethics in the Arab region, Doha, Qatar: Lecture on Military Uses of Nanotechnologies: Perspectives and Concerns, www.unesco.org

4 februari 2009, gastcollege nanoethiek, UMCN, Nijmegen

19 March 2009, ObservatoryNano dissemination event, London, www.observatorynano.org - presenting 1st annual report on “Individual and Collective Responsibility for Nanotechnology”.

10-11 March 2009, ObservatoryNano symposium, Düsseldorf, Germany, www.observatorynano.org – presenting 1st annual report on “Individual and Collective Responsibility for Nanotechnology”.

28 November 2008, Coordination and Support Actions workshop, European Commission, DG Research G4, Brussels – presenting NanoforumEULA and EthicSchool

14-15 November 2008, MUNT symposium: The power of Moral Judgment, University of Utrecht, Netherlands. Presentation “Moral issues in worldwide societal acceptance of nanotechnology”.

30-31 October 2008, participant OECD Nano Outreach Workshop, Delft, Netherlands

14 October 2008, V International Nanotechnology, Society and Environment Seminar, Sao Paulo, Brazil: skype presentation “Benefits and Risks of Environmental Nanotechnologies; Dialogue Opportunities”. Broadcast Alltv.

4-13 September 2008, NanoforumEULA fact finding mission on Nanotechnology in Brazil, touring Rio de Janeiro, Campinas and Recife, and workshop on MEMS/NEMS and Aerospace during the MINAPIM conference in Manaus Presentation support for nano-cooperation EU-Brazil

24-29 August 2008, ETHICSCHOOL summerschool Ethics of Nanotechnology, University of Twente, Netherlands, organization and presentation on ethics of security and dual use nanotechnology

24-30 August 2007 NanoforumEULA fact finding mission for European researchers and industrialists along major Mexican nanotechnology research organizations and companies. Ineke Malsch: presentation on NanoforumEULA project.

2-6 July 2007, IVC-17/ICSS-13 and ICN+T2007 conference, 2-6 July 2007 in Stockholm, Sweden, invited lecture on “Nano-education from a European perspective”, presenting results from the EU funded Nanoforum and EuroIndiaNet projects.

20 June 2007, EuroNanoforum 2007, Düsseldorf, Session C3, Nanotechnology in Social Perception, Ineke Malsch: Keynote lecture on “Worldwide Societal Acceptance of Nanotechnology”.

12 juni 2007, Point One evenement, Eindhoven, PSV Stadion, Eindhoven, Elevator pitch over nanoelectronics samenwerking met Latijns Amerika.

Biomedical Nanotechnology, presentation at Nano Europe 2005, St. Gallen, Switzerland, September 2005
