## ➤ WHAT IS THE WALK?

The Walk is CF Canada's largest fundraising event. It takes place in local communities across Canada and brings us together with one goal – taking a **#StepToward** creating a life unrestricted by CF for ALL Canadians living with cystic fibrosis.

## ➤ WHY SHOULD YOU WALK?

1. In memory of those we've lost and in honour of those we continue to support.
2. To invest in research and find new breakthroughs in treatment.
3. To ensure access to CF medicines so no one with cystic fibrosis is left behind.

## ➤ IT'S AS EASY AS 1. 2. 3.

### 1. In Person or Virtual?

- Decide if you want to participate virtually or in person on Sunday, May 25.

### 2. Location?

- Choose an event location close to home and register.

### 3. Ready. Set. Go!

- Set up your fundraising page and get your (fundraising) party started!

“

My dream is simple. I dream of a future when CF no longer stands for Cystic Fibrosis but rather stands for “Cure Found”. - Lauren A, Toronto Walk
