Remembrance is a personal journey.

When choosing cremation, use this guide to help you honor their life in a way that's as special and unique as how they lived.

STEP 1: Design a meaningful service, tribute, or gathering.

The ceremony is a way to tell your loved one's story and celebrate their life.

STEP 2: Select a personalized cremation casket or container.

The casket or container is the resting place that provides dignity to your loved one.

STEP 3: Choose a personalized memorial urn.

The selection of the urn typically complements the final placement.

STEP 4: Consider personal memorials for family and friends.

Keepsakes and jewelry are lasting mementos that will remind you of your time together.

Living Memorial®
P R O G R A M

*“I will smile when
I think of a small
sapling growing
tall over the years
to celebrate my
husband’s life.”*

The memory of your
loved one lives on with
the planting of a tree.

Batesville’s Living Memorial® program, offered through your funeral home, is a unique and special way to honor the life of your loved one. When you select a Batesville casket, container, or a full size urn, a request may be made for a tree seedling to be planted in a national forest as a living tribute and memorial to the deceased – at no additional cost to you.
