URN VAULT PRICE LIST

These prices are effective as of July 1, 2023 but are subject to change without notice.

Why do I need an urn vault? If you plan on ground burial for the urn, some cemeteries require an urn vault. Urn vaults provide varying levels of protection from subsoil elements, the weight of the earth, and cemetery maintenance equipment. Urn vaults are also helpful when locating and upholding the integrity of the urn for future burials.
