ACCOUNTANTS' COMPILATION REPORT

Fairway Villas Association, Inc.
P.O. Box 512216
Punta Gorda, FL 33951-2216

Management is responsible for the accompanying financial statements of Fairway Villas Association, Inc. ("Association"), which comprise the balance sheets as of July 31, 2025 and 2024, and the related statement of revenues and expenditures for the seven months ended July 31, 2025, in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit substantially all of the disclosures and the statements of changes in fund balances and cash flows required by accounting principles generally accepted in the United States of America. If the omitted disclosures and the statements of changes in fund balances and cash flows were included in the financial statements, they might influence the user's conclusions about the Association's financial position, results of operations, and cash flows. In addition, the Association's monthly financial statements do not recognize revenue in accordance with guidance under United States generally accepted accounting principles ("GAAP") promulgated by the Financial Accounting Standards Board. The effect of the GAAP departure has not been determined. Accordingly, these financial statements are not designed for those who are not informed about such matters.

Management has omitted supplementary information about future major repairs and replacements of common property that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Financial Accounting Standards Board, which considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. However, supplementary information on changes in reserve fund balances for the month ended July 31, is included herewith.

We are not independent with respect to Fairway Villas Association, Inc., as of and for the periods ended July 31, 2025 and 2024.
