This month we pray for a just and sustainable management of water, a vital resource, so that everyone may have equal access to it.

EVERYDAY STEWARDSHIP

Should I Stay or Should I Go?

Life is not always easy on us and it can be hard to figure out the next step to take in our journey. We can even become immobilized by indecisiveness and fear about making the wrong move or choosing the incorrect path. I think of the song, Should I Stay, or Should I Go, as a mantra for many times in my life. Should I stay in this house, this job, or this car? Should I go here or there? When those times of decision surface, I usually turn to my wife, my friends, or even my children. Talking it out can help, and their perspectives give me more data to consider. When I lean on others to help me make a decision, it helps me become more confident in my choices.

Discerning the will of God is not easy either. Rarely do we understand God's calling clearly at first. God's calling is always more easily discerned within a community of faithful disciples. Our stewardship way of life can suffer greatly if we refuse to allow others to assist us in the process of discernment. What gifts or talents are needed for the task at hand? Where do I fit best into God's plan? Where is God leading me? No one should have to decide the answers to these questions alone. We need to always lean on the Body of Christ to help us see the path that God has laid before us. Without a little help along the journey, over time we might find ourselves stuck in the same place where we started.
