To Whom it May Concern,

It is with the highest confidence that I recommend Maddy Goodwin for admission to the college and degree program of her choosing. I have worked with Maddy in the variety of positions she has held at Salt & Pepper & Sugar Too Restaurant in Wilton, Maine for over a year now, and have been honored to have such a patient, kind, and passionate young woman in my life.

As someone who has worked with Maddy from the beginning of her time at the restaurant, I can honestly say that I have never witnessed a more determined, patient, and dedicated individual. She has never shied away from a challenge, and takes great pride in her accomplishments. Her commitment to herself and her work has carried her through a variety of difficult situations, and she always comes out of them a stronger, more resilient person.

Throughout the time I've known her, Maddy has grown exponentially in both her role at the restaurant, and as an individual. I have watched her improve her skills, be promoted into new positions, and balance school, sports, her social life, and work. She is dedicated to her personal growth, working multiple jobs that have tested and strengthened her, devoted to her field hockey team, and still always making time for her friends and family. Maddy is someone you can always count on to lend a hand, offer thoughtful insight, and always follow through on her commitments. Her empathetic personality and dedicated nature have made her a pleasure to work alongside.

It has been such a joy to watch Maddy work towards her goals and dedicate herself to improvement in every aspect of her life this past year. I am confident that whatever Maddy puts her mind to, she will accomplish. Therefore, I am delighted to offer my sincere recommendation of Maddy Goodwin for any college or degree program that will give her the opportunity to grow her skills, share her empathy with the world, and embrace new challenges.

Sincerely,

Kyra Zabel

Maddyson Goodwin, Mt. Blue High School, Class of 2026

It is with immense pleasure and unwavering enthusiasm that I recommend Maddyson for admission to your institution. I have known Maddy for four years in my capacity as her Student Council Advisor, and I currently serve as the advisor during her tenure as Student Council Co-President. In this time, I have witnessed her exceptional ability to balance rigorous academics with profound commitments to leadership, athletics, and community service. She is truly one of the most dedicated and multifaceted students I have encountered.

Academic and Intellectual Rigor

Maddy consistently seeks the most challenging academic path, enrolling in a curriculum predominantly composed of Advanced Placement and Honors courses. Her resulting class rank of 13th demonstrates that her intellectual ambition is matched by her academic performance. This commitment to academic excellence confirms her readiness for the demands of a high-caliber university environment.

Leadership, Service, and Empathy

My direct observations of Maddy as a leader are particularly strong. As a four-year member and now Co-President of the Student Council, she is the engine behind our most successful initiatives. She approaches complex logistical challenges—from major school events to fun displays of school spirit—with strategic clarity, exceptional organizational skills, and a collaborative spirit. She doesn't just delegate; she models effort and ensures every voice is heard, proving herself to be a highly effective and unifying presence.

Beyond the formal leadership of Student Council, Maddy demonstrates genuine compassion and a commitment to inclusivity through her work with Unified sports. As a mentor for the Unified basketball team and an assistant for both Bocce Ball and Bowling, she has dedicated herself to fostering a supportive and engaging environment for all her peers. This level of sustained empathy sets her apart and speaks volumes about the quality of character she possesses.

Dedication, Athletics, and Work Ethic

Maddy exemplifies dedication through her four-year varsity participation in both lacrosse and field hockey, demonstrating the tenacity and teamwork necessary to excel at the highest level of high school sports. Furthermore, her four years of coaching youth players at summer camps show a natural ability to teach, lead, and serve as a role model to younger athletes. This deep commitment to her sport is mirrored in her work history; she has successfully maintained a customer service role throughout high school, demonstrating exceptional time management, reliability, and communication skills in professional settings. Her two years as a member of the Math Team further underscore her versatile intellectual pursuits.

Conclusion

Maddy is a rare student who simultaneously excels in the classroom, leads her peers with grace and efficiency, demonstrates profound community spirit, and maintains a disciplined work schedule. She is not simply a participant; she is a high-impact contributor whose presence elevates the entire school community. I have no doubt that she possesses the intellect, drive, and moral compass to thrive at your university and make a significant, positive impact on the world. I recommend her without any reservation.

Please feel free to contact me if you require any further information.

Sincerely,

Melanie Prescott - MBC Registrar

Maddyson Goodwin Chamber Of Commerce Essay

After graduating from Mt Blue High School, I look forward to continuing to challenge myself with a nursing degree. I plan on attending Kent State University in Kent, Ohio. I look forward to going to Ohio to learn about new places and to bring a brand-new perspective to Franklin County. I have grown up in this area and absolutely love the people. I enjoy the sense of community you feel everywhere you go, and I truly look forward to coming back and fostering that sense of community when I serve my neighbors as friends and help fuel the excitement we constantly find in the Farmington area. I want to encourage the feeling of togetherness in Franklin county and I love the idea of taking care of people in our local hospital. By working at Maine Health Franklin Hsopital I can not only add to the work force, but hopefully improve the work force and improve people's lives along with all my other pursuits. I have found myself to be a charismatic person who is outgoing and always looking to push people to be their best, and I think that is an amazing attitude to have in a hospital. I enjoy working with people of all ages and truly look forward to making a difference in not only patients' lives but also my coworkers'. If I can make the workplace a more enjoyable place to be, somewhere we want to go, I feel I have done my job.

I, Maddyson Goodwin, permit the Chamber of Commerce to use my name and application information publicly.
