Dear Father Varghese and Dear Parishioners:

For those who labour in God's remote vineyards, the most memorable moments in life are those that provide evidence they do not stand alone. Your kind offering of support, in the form of the lovely gift of \$15,000.00 earlier this year to be applied towards replacement of the roof of Saint Paul Church in the Baker Lake mission, raised the spirits of our missionaries and renewed their ardour in bringing the word of God to the Inuit of the Arctic.

June marks the month when people throughout the world traditionally celebrate fatherhood. This event has a very special meaning... it is an occasion to not only recognize our human fathers but to remember as well our God as the Father of all humanity. Fathers are venerated as the ultimate givers, ever willing to help and protect their loved ones. In the same way, our missionaries' benefactors are an extension of the protective and supportive hand of God the Father.

In recognition of your warm kindness, we extend our deep gratitude and ask our Heavenly Father to always protect you. As an all-loving Father, may He shower you and your loved ones with His choicest blessings. To all the fathers of the world, living and deceased, we wish a very Happy Father's Day.

Sincerely in the Lord,

Richard Kenny
