Dear Father Varghese and Dear Parishioners:

God's precious blessings are all around us, and 'you' are certainly one of them. Your lovely donation of \$15,000.00 is one of the ways used by our Heavenly Father to bring support and happiness to our missionaries living among the dear Inuit. Thank you very much for your most encouraging gesture.

When God chose us as His missionaries of the Arctic, He undoubtedly knew that we could not fulfill our mission alone. Freezing temperatures of 40 degrees below zero are not uncommon at this time of year, and snowstorms, the kind that rage for a week at a time, produce whirling snow so thick that the visibility is often nil. Out of His infinite mercy, He made sure that there would be benefactors and friends like you who would provide the moral and financial assistance needed to survive in that vast barren land that is often unforgiving.

During this holy season of Lent, please accept our gift of remembrance in our daily prayers and at the holy Altar, where we all unite to ask our Divine Lord to bless and to take very good care of you and the ones you cherish. Thank you again most sincerely for your warm compassion.

Sincerely in our Lord,

Richard Kenny
