### From FR. C.P.:

As you are aware, our fiscal year is from July 1st through June 30th. So, we are in the last month of the year 2025-2026. As we are drawing close to the end of this fiscal year, it is important to think of all the people who have contributed their share in leadership roles, and carried out various ministries of the Church during the past year. Like last year, we would like to have an appreciation dinner for all those who were involved in one way or other in various ministries, committees, etc. This will be held at 6 pm on this coming Thursday (June 11th) at our parish center. We have sent out individual invitations to all those who are expected to attend. In case, anyone has not received an invitation so far, please take note that you are invited. It is a time to say 'thank you' to everyone who selflessly offers their time, talent, energy, and treasure and does make sacrifices so that the work of God can go on smoothly here at our parish. May God continue to bless all the leaders and others of St. Patrick's, Sidney, with the needed graces, love, and care in the days and years to come.

### Fall Festival Help:

We are currently looking for 1-2 people who would be interested in chairing the Silent Auction for our annual Fall Festival. If you would be interested or want to know more before deciding— please reach out to Nicole Bailey at 308-254-2828.

### DOVES FLOWERS

The flowers have been picked and all the items requested have been donated to DOVES. Thank you to the parishioners of our parish that donated items for DOVES. There were many items that individuals in our community will be able to use during sudden hardships in their lives. Your generosity is unbelievable. We hope that you will be as generous next year when our garden of flowers bloom again. Anytime you would like to donate gift cards from local discount stores to DOVES, please feel free to do so by dropping the gift cards off at the parish center during business hours or in the collection basket in an envelope marked DOVES.

### Eucharistic Gem:

To give us life, he made himself the Bread of Life. In this Sacrament of Love, Jesus continually offers long life and faithful personal friendship. To make this love more real, he gives his body to be our Bread of Life.—St. Teresa of Calcutta

### Catholic Living:

Summer is an invitation to experience the gifts of God's creation in full measure. Following are two quotes from Wendell Berry, renowned author, whose work is "beloved...for its biblical spiritualism, traditionalism, and perspective on vocations, among other things." *The Catholic Thing, 2020*

"I take literally the statement in the Gospel of John that God loves the world. I believe that the world was created and approved by love, that it subsists, coheres, and endures by love, and that, insofar as it is redeemable, it can be redeemed only by love. I believe that divine love, incarnate and indwelling in the world, summons the world always toward wholeness, which ultimately is reconciliation and atonement with God."

"The miraculous is not extraordinary but the common mode of existence. It is our daily bread. Whoever really has considered the lilies of the field or the birds of the air and pondered the improbability of their existence in this warm world within the cold and empty stellar distances will hardly balk at the turning of water into wine which was, after all, a very small miracle. We forget the greater and still continuing miracle by which water (with soil and sunlight) is turned into grapes."

### 22nd Annual Fathers and Sons Retreat:
