From FR C.P.:

We are soon entering into the holy season of Lent, a time meant for making efforts to purify our thoughts, words, and deeds and preparing to celebrate the most important part of the liturgical year, namely the Holy Week, where in we commemorate the passion, death, and resurrection of Jesus Christ, our Savior and Master. Next Wednesday (February 17th), we keep Ash Wednesday. Making a sign of the cross on our foreheads with ashes on the first day of the Lenten season reminds us that we come from dust and unto dust we shall return. If only we can stay with that thought and realize that our lives here on earth is a very short one even for those of us who might live up to reach 100+years, then we will try as much as possible to live our lives meaningfully from day to day giving glory and honor to our creator, by sharing all that we have and all that we are with people around us, focusing on the growth and wellbeing of the community that we are part of. I would invite all of you to participate in one of the masses that we celebrate on Ash Wednesday (7 am and 6 pm at the church, and 9.30 am at SRMC Pole Creek Estates) and begin this season in all earnestness and spiritual enthusiasm. A special feature of this year's Lent will be a special mass celebrated every Friday in our prayer garden at 12.15 pm. This will replace the regular morning mass on Fridays. A Holy Eucharist celebrated in the beautiful prayer garden that we all are proud of having at our church, should be an occasion to remind us of the garden of Gethsemane, where Jesus prayed, "Father, let thy will be done". So, I request everyone to make special efforts to participate in the special masses celebrated every Friday during Lenten season at 12.15 pm in our prayer garden.

Catholic Living

From its beginning, the Catholic Church has sought to understand and live out Jesus' command to "love one another as I love you." (John 15:12) Following Christ's lead, the Church cares about the whole person. In addition to spiritual support and nourishment, the Church is called to provide food, shelter, and security to the needy. We're also called to work toward changing unjust systems so that the human rights of every person are met. This is our social responsibility...Jesus wasn't a politician, but he didn't hesitate to speak out on political issues. The Church tries to follow his example. A true Christ-centered spirituality must condemn any structure, policy, or practice that diminishes or demeans people. The Church, therefore, must be who and what Jesus wants it to be: a haven of peace, justice and equality for all people, a defender of the dignity and rights of all God's people.
