

# SUSTAINABLE PROCUREMENT POLICY

At Secura Labels we aim to offer sustainable material options where possible.

Secura Labels are members of a FSC® Certified Chain of Custody Group Scheme (FSC-C004309)  
(Certificate Number INT-COC-807273-EK )

Monitoring is undertaken to verify that suppliers are also FSC® Chain of Custody certified\*

We aim to inform customers of sustainable and low resource products and offer these as alternatives to "standard" products where possible.

Through the Woodland Trust scheme we also carbon Off-Set some material, these mainly our none-adhesive products.

Carbon Capture Company number 19119900605

We also consider Human Rights & Modern Slavery when approving new suppliers & auditing existing.
