

The Kempenaar Family welcomes you to Kempenaar’s Clambake Club and our world famous clambakes. Since 1945 we have introduced clambakes to guests from all over the world.

In the early part of the 1900s, the late Esau Kempenaar came to the United States from the Netherlands and started one of the biggest nursery businesses on the east coast; Boulevard Nurseries. After a few years went by he really wanted a place for his fellow workers, family and friends to relax and take part in an old fashioned clambake, so he built Kempenaar’s Clambake Club.

Year after year the facility became more popular to guests from all over and everyone wanted to experience a true “Rhode Island” clambake. Now over 50 years later, the legacy lives on.

Located in a valley grove of evergreens, our facility easily serves a small intimate group but can expand to accommodate a gathering of 700 or more. We’re just a few minutes from the beaches and the popular Newport waterfront, yet we’re sheltered from blowing sands and the damp night winds. And Kempenaar’s has plenty of FREE parking, which comes at a premium in this area.

Compete in a game of horseshoes, volleyball, or bocce, or just sit back and enjoy our attractive grounds before the “bake’s ready” bell rings.

Look over our menus. Each one can be specifically tailored to fit your individual tastes or you can choose one of our “tried and true” standards. Whichever you select, and whether this is your first or 21st clambake at Kempenaar’s, we look forward to welcoming you.

Our Bakemaster and staff have only pleasing you on their minds.

# KEMPENAAR'S CLAMBAKE CLUB

SINCE 1945

Our clam chowder is made from scratch – at least one day before we serve it, so the flavor is at its peak. (Like a good spaghetti sauce, always better on the second day!) We cut our own steaks daily – a generous 12 oz. US Choice boneless sirloin strip steak fresh – never frozen. You can taste the difference. The same is true with our chicken – purchased fresh and broiled with a barbecue sauce developed by Cornell University without sugar, so it doesn't burn. Of course, all our seafood is purchased fresh locally. You get the idea – we do it right!

Our wedding business is growing by leaps and bounds. The green lawns, flowering shrubs, colorful flower beds and open-air pavilions and tents are perfect settings for receptions, rehearsal dinners and chill-outs, the day-after-the-wedding parties when the pressure is off and the celebration continues! Now couples are planning the marriage ceremony at KCC, convenient and exciting.

That's why we also attract reunions, corporate functions, company outings, anniversaries, graduations, sales meetings, etc.

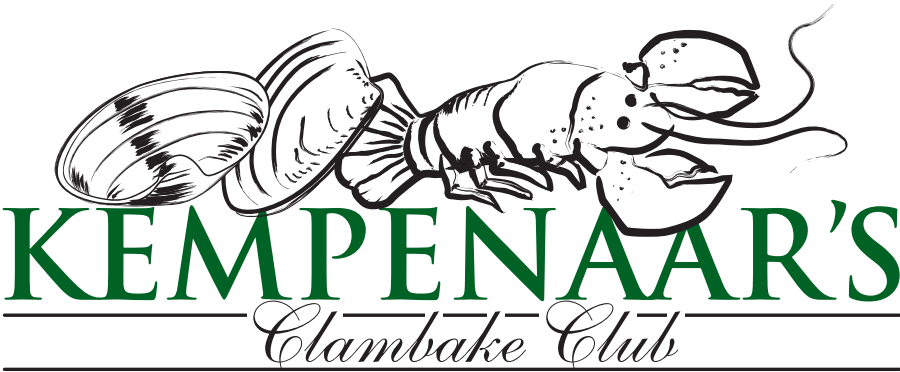

We do it all...  
so let the celebration begin!
