Dear Parishioners,

Jesus knew that the apostles were afraid. He took their fears seriously. When he said to them, "Do not be afraid," he was giving them courage. Jesus knew that if the apostles were afraid, they would not be able to fulfill his mission. How did he suggest that he remove their fears? He asked them to trust in God and in his providence. He wanted them to believe in a God who lovingly watches over life and death of even the smallest or the least valuable of his creatures. Jesus said, "Are not two sparrows sold for a small coin? Yet not one of them falls to the ground without the father's knowledge. You are worth more than many sparrows." Jesus assured them that God knew every detail of their lives, that God would support them at every crisis they faced. The greatest freedom is freedom from fear. We cannot live a dignified life unless we overcome our fears. We can overcome our fears when we realize and know that God lovingly watches over our life!

Yours sincerely,  
Fr. Jose Shaji, Pastor
