

Dear {{ contact.SALUTATION | default : "Friend" }}, praise the Lord!

Would you join with me to celebrate the Lord's answers to our prayer for laborers for the harvest! To date He has raised up 535 individuals! Amazing!

=====

At year would you please give generously towards more souls hearing the Gospel via the following efforts? The year end budget is \$25,000.

1). [Gospel Invasion Event Leaders](#) Retreat in Chattanooga Jan. 9 - 10. This year 17 Event Leaders are gathering together in person with 6 who are unable to join us. One of the Event Leaders in person will be from Canada.

2) Gospel Invasion events, which are primarily events led by someone other than me, are the [single most effective means of recruiting evangelists](#). SFOI's 2026 goal for individuals working with us is: [750](#).

3) SFOI [pays the travels expenses, accommodations, etc.](#) for everyone traveling to Chattanooga.

3). This year Lord willing [SFOI will host an event in every state in the Southeast](#) at the largest if not one of the largest events in the state.

4). This means that there are still a few states, Louisiana, Arkansas, Texas where Event Leaders and events need to be selected.

5) Our plan is to host [50 Events in 2026](#).

6) SFOI is poised to contribute to Lord willing to an [explosion of Christianity](#) in the US, Canada, Mexico and the UK.

=====

1) [Gospel Tracts](#), 80,000 of them, are needed for the Super Bowl Outreach Feb 5 - 8 in San Francisco.

2) Gospel Tracts are also provided for Gospel Invasion Events.

=====

1) Administrative costs which are all [directly related to recruiting and mobilizing](#) evangelists: event registrations; SM posts; mailings; calls to

churches; travel expenses for Gospel Invasion Leaders leading current events; legal.
