

Weekly Report 5-30-26

Dear {{ contact.SALUTATION }}, today there are reports from two events.

First, from the Miami Grand Prix held May 1 - 3 in Miami Gardens, FL and the second, which is further down this email, is the Blue Crab Festival held May 15 - 17 in Little River, SC.

Let's start with the Miami Grand Prix. SFOI has been there the last four years.

Above is the team that proclaimed the gospel at the [Miami Grand Prix Outreach '26](#). The team left to right was [Nick O'Berry](#), [Joshua Tubbs](#) (event leader), [Darrel Davis](#), [Caleb Davenport](#) and Eric Fiorucci.

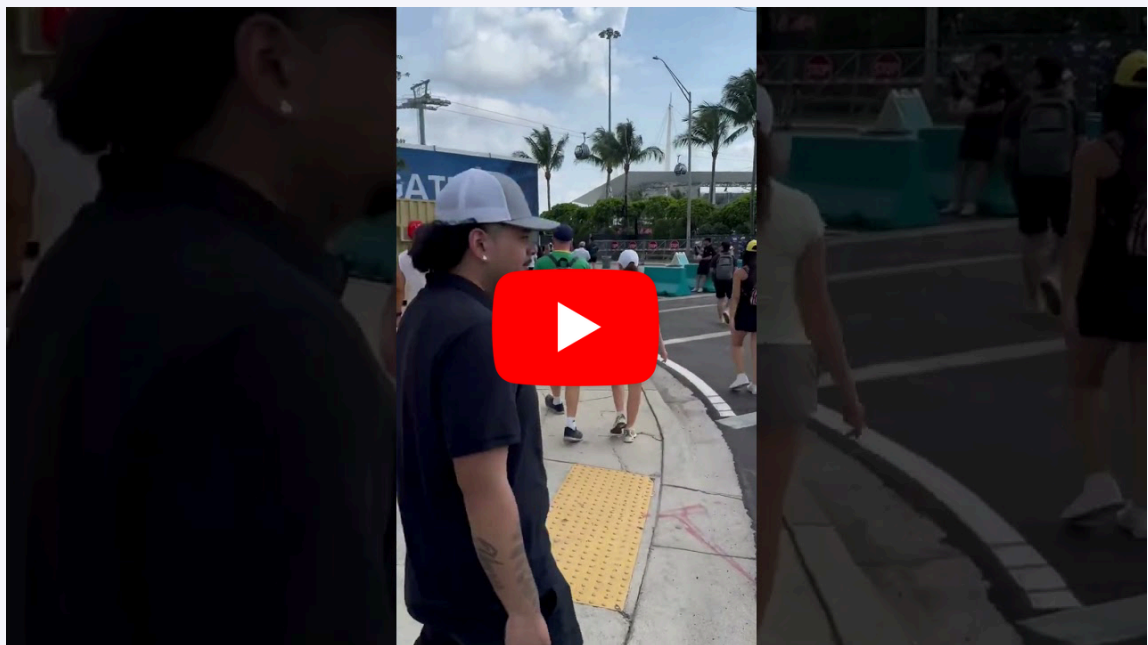

The team was in Miami from Friday through Sunday preaching and ministering to fans attending the race outside of the [Hard Rock Stadium](#) located in [Miami Gardens](#) just north of Miami and southwest of Fort. Lauderdale.

Attendance was 275,000.

There are two ministry locations: Team #1 was at the corner of NW 199th St. and Carl F. Barger Blvd. and Team #2 at NW 27th Ave and NW 203rd St. Click the link to see their location on the map. [Ministry Locations](#).

Day 1 video update from the Miami Grand Prix Outreach. Darrel Davis preaching on a beautiful sunny day to large crowds going to the event.

Day 2 update outside of the Hard Rock Stadium Miami Grand Prix Outreach.

Darrel shows a brief video from Team #1 ministry location on Sunday race day.

Darrel shows the ministry location for Team #1 on Friday.

Darrel showing Team #1 ministry location Sunday with Joshua preaching.

Here Darrel Davis is preaching the gospel on the corner across the street from the stadium. Notice the young boy listening while he shares the good news.

Joshua distributing tracts.

Nick O'Berry sharing Christ at the final day of the Miami Grand Prix Outreach. It was supposed to be raining all day but the Lord blessed us as the rain came through much earlier than expected, ended right as we arrived and didn't come again until that night.

Darrel and Nick smiling because we were blessed to park in a premium parking space on Sunday race day, right next to the preaching location. This was made

possible because of the generosity of a dear saint that Darrel knows, and allowed the team to get right to the spot and began evangelizing.

Nick speaking with a man on day 2 who had questions about spiritual matters, and was concerned about his friend. This man later called his friend, handed the phone to Nick and Nick was able to share with his friend directly.

Joshua preaching good news to Formula One race fans.

Joshua speaking with a man during the preaching. This was the scene throughout the weekend as fans walked to the stadium.

Nick lifting up the name of Jesus Christ in Miami with Darrel tracting on the sidewalk. Notice the traffic workers in the yellow vests directing traffic. The last few years these same ladies have been very kind and friendly to the team and even say amen from time to time at the preaching of the gospel.

Team #1 outside of the Hard Rock Stadium for the Miami Grand Prix: Darrel Davis, Nick O'Berry and Joshua Tubbs.

Team #2 at the Miami Grand Prix Outreach was Caleb Davenport and Eric Fiorucci proclaiming Christ Jesus outside of one of the entrances. Massive crowds flowing past for the three day event.

Blue Crab Festival

Above is the team from the [Blue Crab Festival](#) held May 15 - 17 in [Little River, SC](#) which is just north of Myrtle Beach. [Jason McGough](#) (event leader); [Nick O'Berry](#); [Joe Toy](#); Pay McClanahan and [Darrel Davis](#).

This was the [44th Annual World Famous Blue Crab Festival](#) which is one of the longest running festivals in the Southeast. Attendance ranges from 30,000 - 50,000 over the two days.

Jason shows the ministry location in the video above.

Here you see Darrel with the mic preaching. Pat, in the chair, distributing tracts. In between is the evangelist's set up.

Nick is preaching as fans leave the festival. You can see the entrance directly ahead.

Here's the bus stop on the left. The buses dropped off the festival goers and they walked to the festival past the evangelists and then returned to the bus and passed the evangelists a second time.

Jayce, Jason's 18 year old son, preaching.

You see the festival goers walking to the buses. Jason and Nick right preaching. The sign is a reminder for prayer. Offering Bibles too.

Another good view of the buses and festival goers waiting to get on as Nick, right in red shirt, preaches.

Even in our world we see the children of evangelists grow up. Jayce attended the SBO in Atlanta in 2019 as a 10 year old and now he's 18! Time flies!

{{ contact.SALUTATION }}, praise the Lord for the Gospel being in two distinctly different areas of the US and different crowds.

As obvious as it is there is one Gospel ([Romans 1:16](#)) for everyone which makes this possible!

Hallelujah for the evangelists that labor at these events. They are faithful to the Gospel and have become good friends over the years. They are indeed one of the blessings of Gospel ministry.

Next week should be reports from the Montreal Grand Prix, Indy 500 and Niagara Falls! All held Memorial Day weekend. A first for SFOI to have three events in one weekend!

Thank you {{ contact.SALUTATION }} for your consistent partnership to make this possible!

Grace & peace,
