

Weekly Report 7-21-26

Dear {{ contact.SALUTATION }},

Praise the Lord for veteran evangelist Robert Gray traveling to Kampala, Uganda July 1 - 16 to preach the Gospel as part of the "[SFOI AIR](#)" project.

SFOI Air was created with the goal of mobilizing preachers in other countries where SFOI does not typically go. Large cities in South America, Africa and Asia often have plenty of foot traffic but do not host major sporting events.

SFOI Air looks to send an evangelist in to these large cities to preach and network with the hopes of finding a local Christian the Lord is calling to preach in the open air.

The process is that when one evangelist begins preaching others follow. The key is finding the first evangelist which is what we are seeking to do with SFOI Air.

Robert went Kampala and Entebbe, Uganda for this purpose: preach and Lord willing find a local evangelist to continue the preaching.

The World Cup just concluded. By all accounts it was a major evangelism success. Here are some links for the various locations showing pictures and videos.

I was able to go two games in Miami where Argentina and Columbia played. The report is being completed but the fans were definitely from outside the US which means that fans from 'around the world' were able to hear the Gospel!

{{ contact.SALUTATION }}, tomorrow Lord willing I leave for Glasgow for the Commonwealth Games. Glasgow is a very busy city normally but you add fans, etc. from 72 nations and it should be an amazing opportunity for sinners to hear the Gospel, be called to believe it and receive eternal life ([John 17:3](#)).

If you haven't yet could you donate to this mission? There are always various costs like transportation, meals, etc. that need to be paid for doing the trip. The budget at this point is \$1,000. Please give what you can.

[Donate](#).

Do you have anyone you recommend me contact about potentially joining us to evangelize or to become a ministry partner?

Please send any prayer requests you have {{ contact.SALUTATION }}.

Grace & peace,

Bill
