

Weekly Report 8-4-26

Dear {{ contact.SALUTATION }},

Praise the Lord for 10 amazing days in Glasgow, Scotland! Tens of thousands of souls each day were hearing Words of Life! Undoubtedly many did believe on the Lord Jesus during those 10 days!

The Team is pictured above: Bill Adams (Chattanooga, TN); John Shelton (Austin, TX); Matthew Redondo (Phoenix, AZ); Gary Jones (Bournemouth, UK); Darrel Davis (Raleigh, NC); Doc Schank (Minneapolis, MN).

If you want to immediately see what was happening click on this link to go to the 30 videos. [Commonwealth Games](#).

Our accommodations were in [Beith](#) about a 30 minute train to Glasgow. So each morning we would pray at 9, then Gary would drive us to the train station, and ultimately we'd be our ministry location at [St. Enoch's Square](#) by 11:00 AM.

The local authorities had a couple of Community Officials stand near us to listen to us to probably intervene if there was a problem. But there were no problems.

Each day I'd lead off the preaching which would continue until 5:30 PM. When you watch the videos you will see how many souls were passing by and able heard Words of Life.

Lots of people stopped to talk: One American from Staten Island whose church had planted a church in the area; another American family that had moved there four years ago to be missionaries; lots of locals with questions; young and old but with very little caustic interchanges.

The video below shows the Ministry location in Glasgow.

Devotionals - we seek to have local Pastors and Professors leads us in morning devotionals. It's a way to get to know local Clergy and for them to get to know us. On this trip we had two devotionals.

Harper Memorial Church one morning. [Lawrence Jah](#) (scroll down the page to see Lawrence listed as an Elder) lead the devotions. Plus he had several Church members attend. Their founding Pastor, John Harper, was on the Titanic and was famous for witnessing to the people until he too perished in the water. Read the details on their history page: [Harper Memorial History](#).

[Glasgow City Mission](#) staffer Jack Geddes also met with us. He's responsible for the marketing and fundraising team. The GCM is part of a international community of City Missions. The City Mission idea was founded by GCM founder David Nasmith. See the details: [GCM History](#). The UK has City Missions that I'm aware of in London, Birmingham and Belfast.

{{ contact.SALUTATION }}, the above picture represents SFOI's effort to establish a full-time evangelist in London. David Day in the picture is the evangelist and once he is there Lord willing a Mission House will be obtained in some way because one of David's jobs will be to recruit American evangelists to travel to London to preach throughout the year.

Right now we are in the process of applying for a Sponsor License and once that is approved, again Lord willing, we'll apply for a religious visa for David.

SFOI is a registered UK Charity which means this effort is being done by them; however, SFOI US has the responsibility to participate in raising money for the applications, David's salary and the Mission House.

Today that budget, if purchasing the House is the plan, is probably in the \$500,000 range. Would you give today towards to this effort so thousands upon thousands of UK citizens and visitors can hear Words of Life?

If so click here: [SFOI UK](https://www.sfoi.org). Please give what you can.

Do you have anyone you recommend me contact about potentially joining us to evangelize or to become a ministry partner?

Please send any prayer requests you have {{ contact.SALUTATION }}.

Grace & peace,

Bill
