NFL London

This young lady from India saw us evangelizing and came and got a gospel tract from me. She walked away and read it. She then returned and wanted to know if she could join us. I gave her a stack of tracts and she hung around for 2 hours handing out tracts. She has been in London for about a month and is planning to go to university here. Pray for Sandyia (Not sure about spelling) She is a believer and is looking for a good church in London.

Wonderful story from the first day in London
