

SFOI.org preaches Christ and ministers to fans and local citizens at major sporting events, concerts, and festivals so they can Lord willing become Christians

Hello {{ contact.SALUTATION | default : "Friend" }},

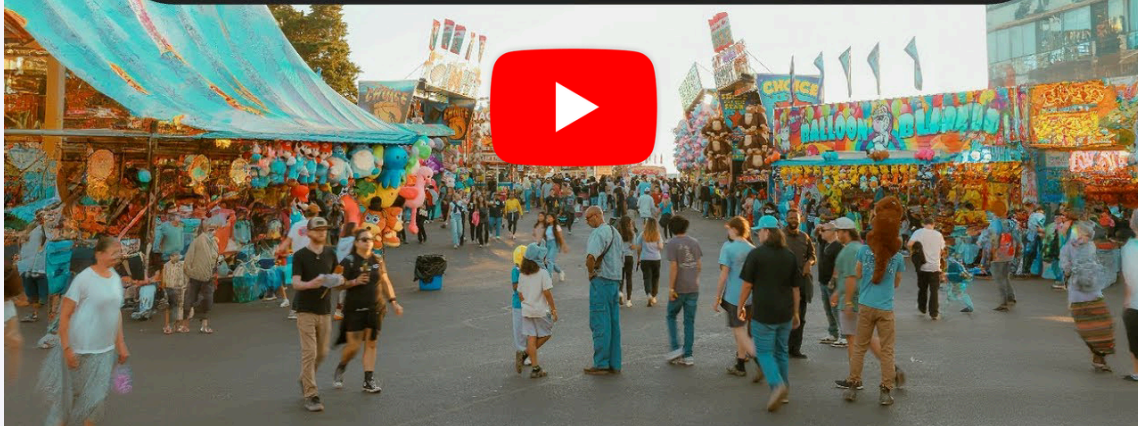

Praise the Lord for the opportunity to have an outreach at the US Open. This trip is primarily for new evangelists and others with some experience but who need to be pushed onward into the work. Click the banner for details of the trip.

This Weekly Report is composed of 'Invitations' to events. Event Leaders are asked to prepare a short, 1 - 2 minutes, 'Invitation' video for the event they are leading. The idea is a personal invitation from one evangelist inviting other evangelists to join them to preach Christ at their event.

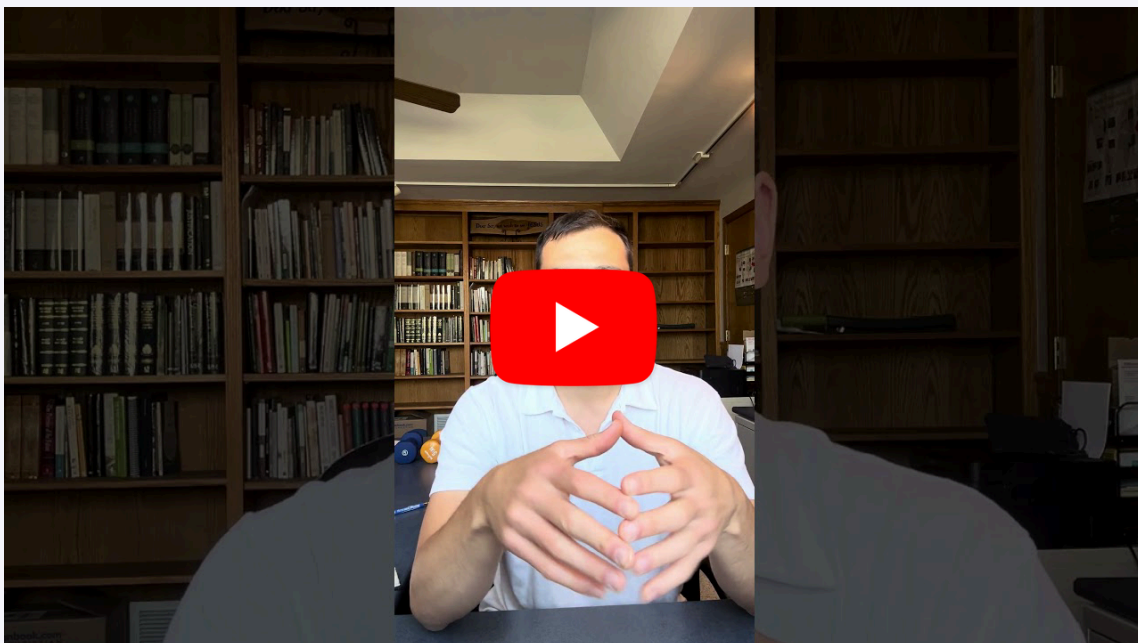

Below are samples from Team Leaders for various events. These videos are posted on Social Media, sent via emails and posted on the respective event page so the evangelists across the US can see it and Lord willing attend.
