No significant changes in the nature of the Company's activity occurred during the financial year.

ABN: 43 001 058 153

### **Directors' Report**

30 June 2023

#### Short term objectives

The Company's short term objectives are to:

- Maintain a viable community asset that offers licensed facilities with gaming, dining and entertainment options for our members, their families and their guests;
- Consolidate the Club's financial position by increasing income and strictly controlling expenditure; and
- Be sustainable and strive for continuous improvement so as to offer the best facility in the local area and one that is
  inviting to people of all ages and gender.

### Long term objectives

The Company's long term objectives are to:

- Retire the Club's debt and focus on savings accumulation;
- Maintain the Club's property and when necessary make alterations to accommodate new trends and potential markets;
- Increase membership in the local area and offer the products and services that will ensure a members relationship with the Club continues year after year.

### Strategy for achieving the objectives

To achieve these objectives the Company has adopted the following strategies:

- Develop and nurture a culture within the community consistent with the Club's reason for existence and its objectives
  which are focused on our members. Building and maintaining membership through our product ranges, exceptional
  service and diverse entertainment options is a prerequisite for our future success.
- Developing income streams independent of gaming has become extremely important for clubs of all sizes. In
  uncertain times of legislation changes and economic downturns, the Board has committed to exploring the
  alternative forms of income away from normal daily trade as a strategy to lessen our reliance on income generated
  in this area.

### How principal activities assisted in achieving the objectives

The principal activities assisted the Company in achieving its objectives by:

• The principal activities of the Club include the operation of the bar and gaming area, provision of entertainment and the sale of take home liquor. The operation, management and promotion of these activities assisted the Club in achieving its objectives.

### Performance measures

The Club's board is currently developing a strategic plan culminating with a masterplan that will serve the Club for many years. This strategic plan will be reviewed on a regular basis to ensure relevance.

A number of key performance indicators (KPI's) are used by the Club to measure, monitor and improve the Club's

ABN: 43 001 058 153

### **Directors' Report** 30 June 2023

#### Performance measures

performance and to achieve its objectives through sound financial management,

Business acitivities are monitored to ensure that the goals, objectives and business strategies are achieved.

### Members' guarantee

Kendall Services & Citizens Club Limited is a company limited by guarantee. In the event of, and for the purpose of winding up of the company, the amount capable of being called up from each member and any person or association who ceased to be a member in the year prior to the winding up, is limited to \$ 1 for members subject to the provisions of the company's constitution.

At 30 June 2023 the collective liability of members was \$1,455 (2022; \$987).

#### Meetings of directors

### **Notes to the Financial Statements**

For the Year Ended 30 June 2023

The financial report covers Kendall Services & Citizens Club Limited as an individual entity. Kendall Services & Citizens Club Limited is a not-for-profit Company limited by guarantee, incorporated and domiciled in Australia.

The functional and presentation currency of Kendall Services & Citizens Club Limited is Australian dollars.

The financial report was authorised for issue by the Directors on 16 October 2023.

Comparatives are consistent with prior years, unless otherwise stated.

### 1 Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards and the *Corporations Act 2001*.

### (a) Going Concern

The financial statements have been prepared on a going concern basis. Whilst the Company has positive net assets at reporting date, it has recorded a working capital deficiency (current assets minus current liabilities) of \$89,404. A negative working capital position casts significant doubt over the Company's ability to pay its liabilities as and when they fall due, and therefore continue as a going concern.

The Company has an overdraft Facility with the Regional Australia Bank of \$50,000, which remains unused at balance date. The Company is supported by a Loan held with Regional Australia Bank, which was originally for a 15 year term, with 12 years remaining on the terms of the loan at balance date. The 2024 budget also notes an expected operating surplus.

### 2 Summary of Significant Accounting Policies

#### (a) Revenue and other income

### Sale of goods

Revenue is recognised on transfer of goods to the customer as this is deemed to be the point in time when risks and rewards are transferred and there is no longer any ownership or effective control over the goods.

#### Revenue from contracts with customers

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Company expects to receive in exchange for those goods or services. Revenue is recognised by applying a five-step model as follows:

- 1. Identify the contract with the customer
- 2. Identify the performance obligations
- 3. Determine the transaction price
- 4. Allocate the transaction price to the performance obligations
- 5. Recognise revenue as and when control of the performance obligations is transferred

ARN: 43 001 058 153

### **Notes to the Financial Statements**

### For the Year Ended 30 June 2023

#### 2 Summary of Significant Accounting Policies

### (a) Revenue and other income

#### Revenue from contracts with customers

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Company have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

#### Other income

Other income is recognised on an accruals basis when the Company is entitled to it.

#### (b) Income Tax

The income tax expense (revenue) for the year comprises current income tax expense (income) and deferred tax expense (income).

Current income tax expense charged to the profit or loss is the tax payable on taxable income calculated using applicable income tax rates enacted, or substantially enacted, as at the end of the reporting year. Current tax liabilities (assets) are therefore measured at the amounts expected to be paid to (recovered from) the relevant taxation authority.

### (c) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

#### (d) Inventories

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first-in-first-out basis and is net of any rebates and discounts received. Net realisable value is estimated using the most reliable evidence available at the reporting date and inventory is written down through an obsolescence provision if necessary.

### (e) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

Items of property, plant and equipment acquired for nil or nominal consideration have been recorded at the acquisition date fair value.

ABN: 43 001 058 153

### **Notes to the Financial Statements**

For the Year Ended 30 June 2023

### 2 Summary of Significant Accounting Policies

### (e) Property, plant and equipment

Assets measured using the revaluation model are carried at fair value at the revaluation date less any subsequent accumulated depreciation and impairment losses. Revaluations are performed whenever there is a material movement in the value of an asset under the revaluation model.

### Land and buildings

Land and buildings are measured using the revaluation model,

#### Plant and equipment

Plant and equipment are measured using the cost model.

### Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the assets useful life to the Company, commencing when the asset is ready for use.

The depreciation rates used for each class of depreciable asset are shown below:

Depreciation Rate
2.5% - 30%
5% - 40%
30% - 40%
7.5% - 50%
7.5% - 20%
20%

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

### (f) Financial instruments

Financial instruments are recognised initially on the date that the Company becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

ABN: 43 001 058 153

### **Notes to the Financial Statements**

### For the Year Ended 30 June 2023

### 2 Summary of Significant Accounting Policies

#### (f) Financial instruments

#### **Financial assets**

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

### Classification

On initial recognition, the Company classifies its financial assets into the following categories, those measured at:

- amortised cost
- fair value through profit or loss FVTPL

Financial assets are not reclassified subsequent to their initial recognition unless the Company changes its business model for managing financial assets.

### Amortised cost

Assets measured at amortised cost are financial assets where:

- the business model is to hold assets to collect contractual cash flows; and
- the contractual terms give rise on specified dates to cash flows are solely payments of principal and interest on the principal amount outstanding.

The Company's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position.

Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provision for impairment.

Interest income, foreign exchange gains or losses and impairment are recognised in profit or loss. Gain or loss on derecognition is recognised in profit or loss.

Financial assets through profit or loss

All financial assets not classified as measured at amortised cost or fair value through other comprehensive income as described above are measured at FVTPL.

Net gains or losses, including any interest or dividend income are recognised in profit or loss.

Impairment of financial assets

Impairment of financial assets is recognised on an expected credit loss (ECL) basis for the following assets:

financial assets measured at amortised cost

ABN: 43 001 058 153

### **Notes to the Financial Statements**

### For the Year Ended 30 June 2023

### 2 Summary of Significant Accounting Policies

### (f) Financial instruments

#### Financial assets

debt investments measured at FVOCI

When determining whether the credit risk of a financial assets has increased significant since initial recognition and when estimating ECL, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis based on the Company's historical experience and informed credit assessment and including forward looking information.

The Company uses the presumption that an asset which is more than 30 days past due has seen a significant increase in credit risk.

The Company uses the presumption that a financial asset is in default when:

- the other party is unlikely to pay its credit obligations to the Company in full, without recourse to the Company to actions such as realising security (if any is held); or
- the financial assets is more than 90 days past due.

Credit losses are measured as the present value of the difference between the cash flows due to the Company in accordance with the contract and the cash flows expected to be received. This is applied using a probability weighted approach.

#### Trade receivables

Impairment of trade receivables have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses. The Company has determined the probability of non-payment of the receivable and multiplied this by the amount of the expected loss arising from default.

The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

Where the Company renegotiates the terms of trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in profit or loss.

Other financial assets measured at amortised cost

Impairment of other financial assets measured at amortised cost are determined using the expected credit loss model in AASB 9. On initial recognition of the asset, an estimate of the expected credit losses for the next 12 months is recognised. Where the asset has experienced significant increase in credit risk then the lifetime losses are estimated and recognised.

ABN: 43 001 058 153

### **Notes to the Financial Statements**

### For the Year Ended 30 June 2023

### 2 Summary of Significant Accounting Policies

#### (f) Financial instruments

#### Financial liabilities

The Company measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method.

The financial liabilities of the Company comprise trade payables, bank and other loans and lease liabilities.

#### (g) Impairment of non-financial assets

At the end of each reporting period the Company determines whether there is an evidence of an impairment indicator for non-financial assets.

Where an indicator exists and regardless for indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the asset is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cashgenerating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss

### (h) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

Bank overdrafts also form part of cash equivalents for the purpose of the statement of cash flows and are presented within current liabilities on the statement of financial position.

### (i) Leases

For comparative year

Lease payments for operating leases, where substantially all of the risks and benefits remain with the lessor, are charged as expenses on a straight-line basis over the life of the lease term.

Lease incentives under operating leases are recognised as a liability and amortised on a straight-line basis over the life of the lease term.

ABN: 43 001 058 153

### **Notes to the Financial Statements**

For the Year Ended 30 June 2023

### 2 Summary of Significant Accounting Policies

### (j) Employee benefits

Provision is made for the Company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

#### Defined contribution schemes

Obligations for contributions to defined contribution superannuation plans are recognised as an employee benefit expense in profit or loss in the periods in which services are provided by employees.

### (k) Adoption of new and revised accounting standards

The Company has adopted all standards which became effective for the first time at 30 June 2023, the adoption of these standards has not caused any material adjustments to the reported financial position, performance or cash flow of the Company.

### 3 Critical Accounting Estimates and Judgments

The directors make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

### Key estimates - impairment of property, plant and equipment

The Company assesses impairment at the end of each reporting period by evaluating conditions specific to the Company that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

#### Key estimates - fair value of financial instruments

The Company has certain financial assets and liabilities which are measured at fair value. Where fair value has not able to be determined based on quoted price, a valuation model has been used. The inputs to these models are observable, where possible, however these techniques involve significant estimates and therefore fair value of the instruments could be affected by changes in these assumptions and inputs.

### Key estimates - receivables

The receivables at reporting date have been reviewed to determine whether there is any objective evidence that any of the receivables are impaired. An impairment provision is included for any receivable where the entire balance is not considered collectible. The impairment provision is based on the best information at the reporting date.

ABN: 43 001 058 153

### **Notes to the Financial Statements**

Total non-current borrowings	185,911	200,300

### Summary of borrowings

In July 2020 the Company refinanced its borrowings to Regional Australia Bank. The new facility is for \$245,000 principal and interest, repayable over 15 years and is secured by the Club's premises.

### Defaults and breaches

During the current and prior year, there were no defaults or breaches on any of the loans.

The bank debt is secured by a registered first mortgage over certain freehold properties owned by the Company.

The remaining loans and leases are secured by the assets to which the finance relates.

### (a) Bank overdrafts

The bank overdrafts of the Company are secured by a registered first mortgage over certain freehold properties of controlled entities.

The Club has a \$50,000 overdraft facility with Regional Australia Bank.

ABN: 43 001 058 153

### **Notes to the Financial Statements**

### For the Year Ended 30 June 2023

### 18 Financial Risk Management

The Company is exposed to a variety of financial risks through its use of financial instruments.

The Company's overall risk management plan seeks to minimise potential adverse effects due to the unpredictability of financial markets.

The most significant financial risks to which the Company is exposed to are described below:

#### Specific risks

- Liquidity risk
- Credit risk
- Market risk interest rate riskk

#### Financial instruments used

The principal categories of financial instrument used by the Company are:

- Trade receivables
- Cash at bank
- Bank overdraft
- Trade and other payables
- Lease liabilities
- Floating rate bank loans

### Objectives, policies and processes

The Board of Directors have overall responsibility for the establishment of Kendall Services & Citizens Club Limited's financial risk management framework. This includes the development of policies covering specific areas such as foreign exchange risk, interest rate risk, liquidity risk, credit risk and the use of derivatives.

Risk management policies and systems are reviewed regularly to reflect changes in market conditions and Kendall Services & Citizens Club Limited's activities.

The day-to-day risk management is carried out by Kendall Services & Citizens Club Limited's finance function under policies and objectives which have been approved by the Board of Directors. The Chief Financial Officer has been delegated the authority for designing and implementing processes which follow the objectives and policies. This includes monitoring the levels of exposure to interest rate and foreign exchange rate risk and assessment of market forecasts for interest rate and foreign exchange movements.

The Board of Directors receive monthly reports which provide details of the effectiveness of the processes and policies in place.

ABN: 43 001 058 153

### **Notes to the Financial Statements**

For the Year Ended 30 June 2023

### 18 Financial Risk Management

#### Liquidity risk

Liquidity risk arises from the Company's management of working capital and the finance charges and principal repayments on its debt instruments. It is the risk that the Company will encounter difficulty in meeting its financial obligations as they fall due.

#### Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in a financial loss to the Company.

Credit risk arises from cash and cash equivalents, derivative financial instruments and deposits with banks and financial institutions, as well as credit exposure to wholesale and retail customers, including outstanding receivables and committed transactions.

#### Credit risk

The credit risk for liquid funds and other short-term financial assets is considered negligible, since the counterparties are reputable banks with high quality external credit ratings.

### Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices.

#### (i) Interest rate risk

The Company is exposed to interest rate risk as funds are borrowed at floating and fixed rates. Borrowings issued at fixed rates expose the Company to fair value interest rate risk.

The Company's policy is to minimise interest rate cash flow risk exposures on long-term financing. Longer-term borrowings are therefore usually at fixed rates. At the reporting date, the Company is exposed to changes in market interest rates through its bank borrowings, which are subject to variable interest rates.

### Sensitivity analysis

The Company has not performed a sensitivty analysis relating to its exposure to interest rate risk at balance date as the Directors believe that the effect on profitability and equity is immaterial.

### 19 Members' Guarantee

The Company is incorporated under the *Corporations Act 2001* and is a Company limited by guarantee. If the Company is wound up, the constitution states that each member is required to contribute a maximum of \$ 1 each towards meeting any outstandings and obligations of the Company. At 30 June 2023 the number of members was 1,455 (2022: 987).

ABN: 43 001 058 153

### **Notes to the Financial Statements**

For the Year Ended 30 June 2023

### 20 Key Management Personnel Remuneration

The totals of remuneration paid to the key management personnel of Kendall Services & Citizens Club Limited during the year are as follows:

	2023	2022
	\$	\$
Short-term employee benefits	101,338	84,077
Long-term benefits	1,600	(511)
Post-employment benefits	10,086	8,673
	113,024	92,239

Key management personnel have been taken to comprise the Directors and the Secretary Manager during the financial year.

### 21 Auditors' Remuneration

	2023	2022
	\$	\$
Remuneration of the auditor PDD Advisory Group, for:		
- auditing or reviewing the financial statements	12,230	11,430
Total	12,230	11,430

### 22 Contingencies

### **Contingent Liabilities**

Kendall Services & Citizens Club Limited had the following contingent liabilities at the end of the reporting period:

- The Company has a contingent liability for permanent employees' sick leave. As sick leave is not payable unless physically taken, no liability for this leave has been taken up in the financial statements.

### **Contingent Assets**

- The Club holds entitlements for 15 poker machines. No cost was attached to these entitlements, but they would currently have value if sold.

ABN: 43 001 058 153

### **Notes to the Financial Statements**

### For the Year Ended 30 June 2023

### 23 Related Parties

### (a) The Company's main related parties are as follows:

Key management personnel - refer to Note 20.

Other related parties include close family members of key management personnel and entities that are controlled or significantly influenced by those key management personnel or their close family members.

### (b) Transactions with related parties

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other parties unless otherwise stated.

The following transactions occurred with related parties:

(a) During the 2023 financial year the Club paid Hastings Air Conditioning Services PL a total of \$6,498 (2022: \$3,386) for general repairs and equipment purchases. Hastings Air Conditioning Services is a related party of Club Director, Ian Twomey.

### 24 Cash Flow Information

### 25 Events after the end of the Reporting Period

The financial report was authorised for issue on 16 October 2023 by the Board of Directors.

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Company, the results of those operations or the state of affairs of the Company in future financial years.

### 26 Statutory Information

The registered office of the company is: 2/75 Bold Street, Laurieton NSW 2443

The principal place of business is: 4 Graham Street, Kendall NSW 2439

ABN: 43 001 058 153

### **Directors' Declaration**

The directors of the entity declare that:

- The financial statements and notes, as set out on pages 5 to 28, are in accordance with the Corporations Act 2001 and:
  - (a) comply with Australian Accounting Standards; and
  - (b) give a true and fair view of the financial position as at 30 June 2023 and of the performance for the year ended on that date of the entity.
- 2. In the directors' opinion, there are reasonable grounds to believe that the entity will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

Director .....

William Jones

Director ..... DSD w

Dated 16 October 2023

### Independent Audit Report to the members of Kendall Services & Citizens Club Limited

### Report on the Audit of the Financial Report

### Opinion

We have audited the financial report of Kendall Services & Citizens Club Limited (the Company), which comprises the statement of financial position as at 30 June 2023, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of the Company is in accordance with the Corporations Act 2001, including:

- (i) giving a true and fair view of the Company's financial position as at 30 June 2023 and of its financial performance for the year ended; and
- (ii) complying with Australian Accounting Standards and the Corporations Regulations 2001.

### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Emphasis of Matter**

We draw your attention to note 1a of the financial statements. The financial statements have been prepared on a going concern basis, despite the entity having a negative working capital position of \$89,404. Note 1a of the financial statements outlines the reasons why the entity is still considered a going concern. Our opinion is not modified in respect to this matter.

### Responsibilities of Directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and sthen Corporations Apt 2001 and for such internal control as the directors determine is necessal puto emable the preparation of the financial report that gives a true and fair view and

CHARTERED ACCOUNTANTS"

## Independent Audit Report to the members of Kendall Services & Citizens Club Limited

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

### Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: <a href="https://www.auasb.gov.au/auditors">https://www.auasb.gov.au/auditors</a> responsibilities/ar4.pdf. This description forms part of our auditor's report.
