

A vibrant tropical jungle border surrounds the text. It features various dinosaurs: a blue Triceratops on the left, a purple Pterosaur at the top right, a green Frog-like dinosaur on the right, a purple Stegosaurus at the bottom left, and a yellow and orange Spiky dinosaur at the bottom right. The border is decorated with pink hibiscus flowers, white plumeria flowers, and green tropical leaves like monstera and palm fronds.

1000 Books Before Kindergarten

SCCLS challenges you to read one thousand books to your little one before they begin kindergarten. Log your progress to get milestone prizes, including a backpack just in time for school!
