

Student Election Inspector/Worker Training

Make a Difference in Democracy!

Are you a student looking for a way to **get involved, gain valuable experience, and support your community**? Become a student election worker!

Elections are the cornerstone of our democracy, and election workers play a vital role in ensuring fair and accessible elections for all citizens. By becoming an election worker, you'll:

- **Help ensure smooth and efficient elections.**
- **Learn about the electoral process from the inside out.**
- **Develop valuable skills in customer service, problem-solving, and teamwork.**
- **Earn money while making a difference!**
- **Boost your resume with civic engagement experience**

To participate, students must:

- **Be 16 yrs old by April 1, 2026**
- **Complete all three days of training** (1.5 hours each day)
- **Declare a political party** to work elections
- Students may work during **Election Day** and/or **Early Voting**, depending on availability.
