WEIGHT RESTRICTIONS

Due to recent weather conditions, weight limits will be placed on all St. Clair County weight restricted roads beginning **Tuesday, March 03, 2026 @ 8:00 AM** until further notice.

During this time trucks must reduce axle weight by 35% on all weight restricted roads, with the associated speed limit maximum of 35 MPH.

No OVER WEIGHT permits will be issued during this period without special permission.
No BUILDING MOVE permits will be issued during this period.

Over weight vehicles transporting during this time will be in violation of weight restrictions and will be cited.

Weight restrictions are imposed by the Road Commission per Act 300, Sec. 257.722 (2) of the Michigan Motor Vehicle Code.
