Dear Sumaira

Following your third graded Early Years Ofsted Inspection 02.08.2022, I have recently been informed of your fantastic achievement of maintaining an "Outstanding" Ofsted judgement. It has been a pleasure to read about the exceptional work you are carrying out to support the youngest children in our District and preparing them for the next stage of their learning journey.

Your Early Education and Childcare Quality Officer, Emma Davis said – this is such a brilliant achievement, especially maintaining an outstanding grading for a third time and you should all be so proud.

Some of the comments in the Ofsted inspection report reflect why the setting is outstanding:

- Children enjoy exploring the well-planned learning environment and display high levels of interest and curiosity.
- Children are very independent and eager to try and do things for themselves, displaying good attitudes to learning.
- Children immerse themselves in the rich and welcoming learning environment that reflects their interests, and they concentrate well on tasks for long periods of time.
- The childminder, her co-childminder and assistant work exceptionally well together.

On behalf of the Bradford Metropolitan District Council, I would like to congratulate you (and your team), and I would like to take this opportunity to thank you for all your hard work and dedication in what has been a very challenging time with the Covid-19 pandemic and the current Covid-19 recovery.

Yours sincerely,

Teresa Barrowclough
