Principal's Report

As I begin my time as Acting Principal at Amphitheatre Primary School, I would like to sincerely thank our students, staff, families, and wider community for the incredibly warm welcome I have received. It has been wonderful to see such a strong sense of connection, care, and pride within the school community, and I am very grateful for the kindness and support that so many people have already shown.

Reminders

At Amphitheatre Primary School, we continue to place a strong focus on respect – respect for ourselves, respect for others, and respect for our learning environment. Building a positive and supportive school culture is something we value highly, and schools cannot do this work alone. We greatly appreciate the ongoing support of families in reinforcing respectful behaviours at home.

Simple actions such as encouraging children to speak kindly, use good manners, resolve conflict calmly, and include others can make an enormous difference in helping all students feel safe, valued, and connected. I have already been so impressed by the way our students demonstrate these values each day and the positive manner in which they represent our school. Giselle will certainly be missed by our school community, and we thank her for her contribution and dedication to Amphitheatre Primary School. We wish her all the very best and every success in her future endeavours.

Mother's Day / Special Person's Breakfast

It was wonderful to see so many mothers, grandmothers, and special people attend our Mother's Day / Special Person's High Tea in the afternoon, creating a fantastic atmosphere across the school.

Thank you to everyone who attended and helped make the afternoon so special for our students. Mothers, carers, and special people play such an important role in the lives of our children, and it was lovely to take the opportunity to acknowledge and celebrate them.

Sports Day

Sports Day was a spectacular day, and our students represented Amphitheatre Primary School with great pride and sportsmanship throughout the event. It was wonderful to see students encouraging one another, participating enthusiastically, and demonstrating excellent teamwork and resilience.

Please see the photos later in the newsletter to enjoy some of the highlights from the day.

Thank you again for your continued support of our school.

Warm regards,
Mark Cottrill (Mr. C)
