NETWORKING OPPORTUNITIES

Access Networking Portal

Five days prior to the event, all participants will be able to access our online networking portal. Use this tool to see who will be there and to get in touch with other attendees before the event. Meetpoint portal will help you set up onsite meetings with your customers and prospects and network with other registered participants. Once you arrive in Ljubljana, you can continue networking through the Meetpoint portal to see who has already checked in at the registration desk. After the event, you can use the portal for 1 month more and follow up with anybody you want to stay in touch.

Welcome Dinner

All registered participants are welcome to attend the complimentary pre-event welcome dinner on Wednesday, 14 September 2022. Network onsite with your customers and prospects already before the event starts.

Meet Your Partners

Plan your schedule and meet your customers and prospects attending the event in Ljubljana. Use event breaks to network, collect business cards, and book meetings.

Exhibition Networking

All registered participants can attend the exhibition. The aim is to expose new products/solutions in telematics for fleet and vehicle management and provide networking opportunities for partnerships. Connect to your customers and research other exhibitors.

Informal Gathering

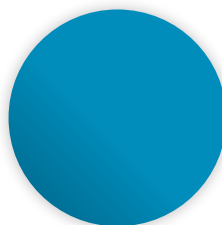

All registered participants are welcome to continue networking at informal gathering, which will give you additional time to discuss with your business partners, customers, and prospects. Take this unique opportunity to make sure you leave Ljubljana with all the essential contacts from the event while enjoying a local entertainment.
