37 Interstate Missionaries, 37 Foreign Missionaries,
60 National Missionaries, 3 Missionary Helpers
16 Mission Ministries

A Snapshot of ABA Missions 2026

Justin Coburn

Since the ABA Messenger Meeting in June, the ABA Recommended Missionaries have reported **393 professions of faith and 66 baptisms** through September. We thank God for every soul who has heard the Gospel and responded to the message of Jesus Christ!

At our Messenger Meeting in Hot Springs, Arkansas, **153 missionaries, missionary helpers, and mission ministries** were recommended through the office of Secretary-Treasurer of Missions. They are serving in **24 states and 29 foreign countries**, and **19 of these are newly recommended** this associational year.

We have some exciting things happening through ABA Missions this year. We have a missionary going to the Utah Valley, a missionary team serving in New York City, a second missionary going to the greater Cleveland area, and two missionaries doing a great work in Baltimore. We have a missionary translating the Bible for a village of about 500 in Indonesia, and another missionary going to Manchester, England. These are just a few of the exciting things God is doing through ABA Missions!

Whether they are wearing a suit in Europe or in a remote area in the middle of nowhere, they all need Jesus! What a privilege it is to be a part of getting the Gospel to people around the world.

Our missionaries and ministries include **37 Interstate Missionaries, 37 Foreign Missionaries, 60 National Missionaries, 3 Missionary Helpers, and 16 Mission Ministries**. In total, **99 receive salaried support, and 54 are on designated funds**. The approximate monthly payout for this associational year is **$215,000**, an increase of approximately $25,000 per month over last year. We thank the churches that faithfully give so these missionaries can continue the work God has called them to do.

We also remember with thanksgiving the life and ministry of **Bro. Walter Goulding**, longtime missionary to Costa Rica, who went to his eternal home on July 4, 2026, at the age of 83. He was first ABA-recommended in 1961. I am thankful for his faithful service and testimony, and I rejoice that he is now at home with the Lord. Please continue to pray for his family.

Since our June meeting, we have also rejoiced to see two works organized. **New Horizon Baptist Church in Port Byron, New York, organized on August 2, 2026**. Missionary Don Hagen faithfully served there for many years. **Iglesia Bautista Betel in Houston, Texas, organized on August 29, 2026.** Missionary Michael Torres has faithfully served there for many years. We thank God for His blessings on these two works and look forward to seeing how He will use these new churches for His glory.

The **Thanksgiving Missions Offering** is vital to the work of our Missions Office. This special offering helps offset the deficit months we experience throughout the year and allows us to continue supporting missionaries around the world. Our goal for this year is again **$350,000**. We ask churches to receive a special offering toward this goal on or before **November 22, 2026**.

May our minds be on our Lord's Great Commission like never before! Let us be busy scattering the precious seed of the life-changing message of the Gospel of Jesus Christ. I pray this will be a year filled with God's blessings. May God use the churches, missionaries, and preachers of the American Baptist Association for His honor and glory!

Thank you for your prayers and generous giving to the missionaries of the American Baptist Association serving around the world. **Please pray for more laborers!**

BETHESDA BAPTIST CHURCH

My name is Jason Urchek, my wife's name is Keri, and we have two kids, Ezekial (age 7) and Priscilla (age 5). I was raised in a Catholic home and lived a life focused on worldly pleasures until I came to Christ at the age of 26. After years of growth, getting involved in ministry, and surrendering to preach, I met my wife, Keri, who was a single missionary in China. We met while she was home on furlough in the summer of 2016, and we got married one year later. Shortly after, I became our church's youth pastor and continued there for 8 years. I was also heavily involved in public school outreach through Released Time Programs. In the fall of 2024, God began redirecting my heart. After a year of praying and seeking counsel, God led us to the east side of Cleveland to plant Bethesda Baptist Church.

We are working with Heritage Church Planting to establish a New Testament church in Willowick, Ohio. Willowick is one of the most densely populated cities in the Cleveland area. South of Willowick is Wickliffe, a heavily Catholic community. To the West is Euclid, which is an inner-city environment where crime and poverty dramatically increase. Our plan is to continue evangelizing the community, establish a bus ministry, and grow our one-on-one discipleship program.

My family and I moved up to the area in March 2026. Shortly after, we started canvassing and began a Bible study at the local library in May. May was also a busy month, as I graduated from Veritas Baptist College with a Master of Ministry degree.

By God's grace, in July we finished canvassing our whole area of approximately 15,000 people with invitation/gospel cards. We are working to canvass the area again with bags that include a John & Romans booklet and our grand opening invite. Our first profession of faith was made in July when we flagged down a young man on his bike and witnessed to him. He trusted Christ on the spot and soon after became faithful to church and one-on-one discipleship. At the end of August, he became my first baptism as a pastor and the first baptism of Bethesda Baptist Church. When we asked the young man where he was biking to that day in July, he admitted he was lost, not knowing exactly which road he was on. Thankfully, God knew exactly where he was, and he was "found" both physically and spiritually that day!

We are preparing for our grand opening service on Sunday, October 4th. After much searching and waiting, we finally confirmed a location for our services at a local Methodist church, where we will be renting space. Starting October 4th, we will have Sunday services, Thursday night Bible study, and a Friday night kids ministry. We are excited to begin services and see what God will do! We are extremely thankful for the ABA's support, which enables us to be full-time in this work. Please pray that God would work in the hearts of our community to be receptive to the gospel. Please pray that God would grow our burden for the lost and give us wisdom to reach them where they are. Thank you for taking the time to read about us and our church plant. If you have any questions or want to know more, please don't hesitate to ask!

Identifying with Peru

In the heart of every missionary, identity lines begin to blur. As you acclimate to your new host country, little by little, without even realizing it, you begin to identify more with your host country than your country of origin. Peru has become that place for our family.

We are the Earnhart family, missionaries to Peru, South America. When the Lord first took our family to Peru in May of 2000, we were a young family with five small children. Over the years we spent serving in southern Peru, the Lord grew our family with two more little girls. Music has always been an important part of our family, and the Lord has used our children's vocal and instrumental talents to add much to our ministry.

Most of our ministry has focused on southern Peru. The Lord has allowed us to serve in a variety of ministries, including planting churches, revitalizing existing works, leadership training in public schools, community outreach programs, and intensive counseling ministries. Each ministry has opened another door to reach people and invest in their lives.

In January 2027, we will launch our next church plant, Iglesia Bautista Punto de Gracia. This church will begin in an area where seeds have been planted for more than 20 years.

Our church-planting process always begins with canvassing an area and building relationships. We run children's programs for many months and periodically organize community events, which eventually leads to home Bible studies in the area. We encourage new families to attend the main church in town, which often means providing transportation for them. When several faithful families come from one area, we begin more Bible studies, knowing the end goal is to plant a church in that zone and remove the hindrance of transportation.

God has also given us a burden for two young men who grew up in our church in Tacna. They are now working to revitalize ministries: Pastor Jose in Cajamarca and Pastor Richard in Macará, Ecuador. Our goal is to offer encouragement, leadership, and resources as we are able. Both of these young families are operating with very limited economic resources, which makes the journey especially difficult.

Another desire for this term is to lay the foundation for a training center that would influence leaders in northern Chile as well as southern Peru. For years, we have had no option but to send our young people to northern Peru for training. While they received excellent training, many remained in the northern sector instead of returning home. We would like to offer excellent training closer to our region, combined with hands-on ministry that reaches the people of southern Peru and northern Chile.

Looking ahead, there are immediate needs for both our family and our ministry. We need a reliable vehicle to transport our family and provide transportation for those wanting to attend church. We need a laptop computer for ministry needs. The new church plant will also need a keyboard, sound system, sign, chairs, and tables, etc.

We would love the opportunity to show you firsthand what God is doing in Peru, South America. We are experienced in planning and hosting mission trips that are more than a mini vacation or an Instagram highlight reel. We want people to come and experience ministry, build relationships, and see lives changed firsthand.

God is changing lives, and we invite you to be a part of what He is doing!

God Is Opening Doors in Northern Virginia

My name is John Mix, and my wife, Sara, and I have the privilege of serving as Missionary Church Planters out of GracePointe Baptist Church at Beechland in Louisville, Kentucky, under the leadership of our pastor, Dr. Mark Bishop. By God's kindness, I have been privileged to serve the Lord in ministry for 30 years, including three years of service on the Standing Missionary Committee of the ABA.

After serving in Northern Virginia for the past 14 years, Sara and I have stepped out by faith to plant a new ABA church in this strategic and spiritually needy region. We began with weekly Bible studies, and on January 4, 2026, we officially launched our church services. We are thankful for what God is already doing and are excited about what He will continue to do.

Our church family has embraced a two-fold vision: reaching lost souls with the Gospel of Jesus Christ and raising up generations of self-growing, serving disciples of Christ. In addition to our regular services, we have begun three community Bible studies on Thursday evenings. These studies give us opportunities to disciple our church family while building relationships and sharing the Gospel with people in the surrounding neighborhoods.

Our target area is the eastern side of Fairfax County, stretching from the 495 Beltway south to the Occoquan River and including the Fort Belvoir area. We currently meet for services at the Lorton Volunteer Fire House in Lorton, Virginia.

This is a tremendous mission field. Within approximately six miles of our meeting location are thousands of households in Lorton, Fairfax County, and Mount Vernon. The area is also home to a large immigrant population, including a significant Muslim population. Many of these precious people have come to America from countries where asking questions about the Gospel and seeking biblical answers may not have been possible.

Reaching them requires patience, compassion, and genuine friendship. Many are deeply rooted in religious and cultural traditions, so building trust and relationships is an important part of opening doors for the Gospel. We are praying that God will give us opportunities to love these families, earn their confidence, and point them to the truth of Jesus Christ.

We are also privileged to minister to members of the American military. Located just outside Fort Belvoir, our church is positioned among military personnel from all branches of service who live and work throughout the Washington, D.C., area. We also have members connected with Bolling and Andrews Air Force Bases, the Pentagon, and Fort Myer. This ministry provides wonderful opportunities to serve families who come to the area from across our nation and around the world.

Military ministry brings both joy and heartache. We are blessed to meet many new people each year, but we also say goodbye to families as they receive new assignments and move to other locations. We pray that the disciples we invest in will carry their faith and love for Christ wherever God sends them.

We rejoice in the Lord's goodness. Since beginning this work, six precious souls have trusted Christ as Savior, twelve have followed the Lord in baptism, and we have welcomed thirty-five first-time visitors.

Every number represents a person, a testimony, and an opportunity to see another life transformed by the Gospel.

Another exciting part of the ministry is investing in future leaders. I am currently training two young men for the ministry, and we are praying that God will use

our church not simply to grow, but to become a sending church. Our desire is to see God raise up laborers and, in time, launch additional churches throughout Northern Virginia.

We are asking our friends and churches to pray with us for two specific needs. First, pray that the Lord will provide a permanent church property. Second, pray that God will raise up and bring additional laborers to Northern Virginia.

The need is great, but our God is greater. We are thankful for every prayer, every word of encouragement, and every investment in this work. We believe God has opened a door before us that no man can shut, and we are excited to keep walking through it for His glory.

Please pray with us as we reach Northern Virginia for Christ, disciple believers, train laborers, and work toward planting churches that will continue reaching the next generation.

Called to New York City

My name is Rachel Gillespie, and I am a missionary helper sent out of Calvary Baptist Church in Orlando, Florida. I grew up in church and have had the opportunity to serve in many areas of ministry, especially with children and young people. Over the last several years, God has continued to grow my heart for missions and eventually made it clear that He was calling me to serve in New York City.

My burden for missions began to grow through mission trips, including trips to Puerto Rico and France. In January 2025, I began to sense more clearly that God was calling me into ministry. After visiting New York City and spending time with the Rutherford family, that burden became even stronger. In January 2026, I returned for a survey trip, and God used that time to confirm that He was leading me to serve in New York City.

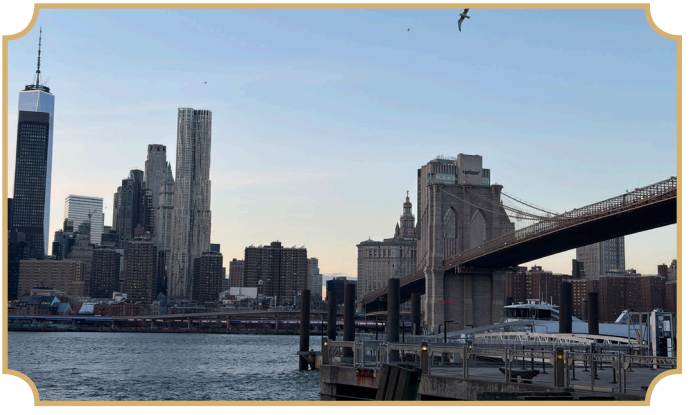

New York City is home to millions of people from many different cultures, backgrounds, and countries. You can walk just a few blocks and meet people from all over the world. While the city is full of opportunities, it also has a tremendous spiritual need. So many people need to hear the Gospel and see the love of Christ lived out before them. God has given me a special burden for the children, teenagers, and young adults who are growing up in this city.

I will be serving alongside Brandon and Diana Rutherford and their family through Compass Baptist NYC. My main focus will be helping with the children's and youth ministries, discipling young people, assisting with outreach and Bible studies, and serving wherever I am needed. I am excited not only to reach young people with the Gospel, but also to build relationships with them and help them grow in their walk with Christ.

God has already provided many blessings as I prepare to move. During July and August, I had opportunities to share the New York City ministry at the Florida State Meeting, a ladies' meeting in Florida, First Baptist Church of Inwood in West Virginia, and other churches. I also traveled to New York City to spend time with the Rutherford family and film a ministry video I can use when presenting the work to churches. God also provided a car for deputation for less than the amount I had originally budgeted, which was a huge blessing.

Even the unexpected moments have reminded me that God is in control. While traveling from West Virginia to New York, my flight was delayed multiple times, and I ended up spending the night in the airport. During that delay, God gave me the opportunity to talk with a young lady from New York City and share the Gospel with her. What seemed like an inconvenience became another reminder that God can use every situation for His purpose.

Right now, I am traveling and raising monthly support with a goal of $5,500 per month. I plan to work a part-time job once I am in New York to help offset some expenses, while keeping ministry as my main focus. Please pray that God will continue to provide the needed monthly support, open doors with churches, keep me safe while traveling, and prepare hearts in New York City.

Lord willing, I plan to move to New York City in the fall of 2027. I am thankful for every church and individual who has prayed, encouraged, given, or allowed me to share the ministry. I am excited to see how God continues to provide and what He will do through Compass Baptist NYC. My desire is simply to be faithful wherever He places me and to help reach the next generation in New York City with the Gospel of Jesus Christ.

Prevailing Hope: Pointing Hurting Hearts to Christ

A missionary sits with a grieving mother. A pastor answers another late-night call. A faithful believer quietly wonders why knowing Scripture has not made the pain disappear.

What happens when someone loves the Lord and knows His Word, yet finds themselves overwhelmed by grief, anxiety, betrayal, trauma, or a marriage that seems to be falling apart? Where do they turn when they need someone who will listen to their pain while faithfully pointing them to the hope found in Jesus Christ?

This burden is at the heart of Prevailing Hope Counseling Ministries.

My name is Lisa Gee, and I am a member of First Landmark Missionary Baptist Church in Mishawaka, Indiana. As a single woman, the Lord has blessed me with opportunities to serve in missions and ministry both in the United States and around the world. Wherever He has led me, one thing has remained consistent: He has brought me face-to-face with hurting people carrying burdens that often require more than a quick answer or temporary encouragement. I came to see the need for someone willing to walk alongside them patiently, helping them navigate life's struggles through the compassionate application of biblical truth. The Lord used that burden, along with my training in counseling and biblical counseling, to lead me to establish Prevailing Hope Counseling Ministries in 2024.

Our mission is simple: to help people discover lasting hope in Christ through Christ-centered biblical counseling. The name Prevailing Hope reflects the truth that our hope does not depend upon our circumstances getting better. Our hope prevails because its foundation is Jesus Christ. Hebrews 6:19 describes it as "an anchor of the soul, both sure and stedfast." When everything around us feels uncertain, Christ remains unchanged.

Prevailing Hope
Counseling Ministries
Finding Hope Through Jesus in Every Struggle

Through virtual counseling, Prevailing Hope ministers to individuals and families facing anxiety, depression, grief, trauma, family conflict, and other difficult seasons. Each situation is different, but our foundation remains the same: God's Word is true, Christ is sufficient, and no circumstance places a person beyond the reach of His hope.

Prevailing Hope also comes alongside missionaries and pastors, those serving on the front lines of ministry, who are often among the first people someone turns to when life becomes overwhelming. We provide biblical counseling support, practical tools, guidance, and resources to help equip them to respond with compassion and biblical truth. When more focused counseling is needed, individuals and families can also be referred to Prevailing Hope for additional care. Our desire is not to replace the ministry already taking place, but to support and strengthen it, helping missionaries and pastors care for hurting hearts while continuing to point people to Christ.

Because we operate virtually, counseling and resources can extend across geographic boundaries, including places where Christ-centered counseling may be difficult to access. My prayer is that Prevailing Hope will continue to become a trusted resource for individuals, families, missionaries, pastors, and churches seeking help firmly anchored in biblical truth.

The Lord continues to open doors, and the need is great. Hurting people are already looking for help, and many do not have ready access to Christ-centered biblical counseling. As Prevailing Hope grows, so does our opportunity to serve without allowing finances to become a barrier to receiving care.

If you know an individual or family who needs Christ-centered biblical counseling, or a church that could benefit from biblical counseling resources, we would be honored to come alongside them.

Life's storms are real. Pain is real. But for the child of God, pain never has the final word.

"Which hope we have as an anchor of the soul,
both sure and stedfast..." - Hebrews 6:19

There is hope. And that hope has a name: Jesus Christ.

Would you pray with us?

- Pray that God will open doors to hurting people who need biblical counseling.
- Pray for wisdom, compassion, and biblical discernment in every session.
- Pray for missionaries and pastors as they minister to hurting people.
- Pray that God will use Prevailing Hope to equip and strengthen churches with biblical counseling resources as they minister to hurting people.
- Pray for the financial and ministry partners needed to expand our reach.

Above all, pray that everything accomplished through Prevailing Hope will point people directly to Christ.

An On Mission Family for Manchester

We are the Strader family—John, Amber, Nora, JJ, and Imani—and God has called our family to Greater Manchester, England, to share the gospel, make disciples, and establish a reproducing Baptist church. Horizon Baptist Church in Missouri City, Texas, serves as our sending church, and we are humbled by the opportunity to represent Christ and partner with churches as we prepare to go.

Manchester is a remarkable city. The wider metropolitan area is home to nearly three million people and is shaped by its industrial history, world-famous football clubs, universities, music, and extraordinary cultural diversity. More than 190 languages are spoken across the region. Generations of Mancunians live alongside immigrants and refugees from around the world, making Manchester a place where the nations have gathered in one city.

Yet beneath the energy and diversity is a deep spiritual need. Church attendance is low, historic church buildings have closed or found other uses, and many people have little meaningful knowledge of the gospel. Some know the language of Christianity as part of Britain's past, but far fewer understand the saving work of Jesus Christ or have experienced the life of a healthy local church. We don't see Manchester merely as a place of decline. We see a mission field filled with people whom God loves and an opportunity to carry the unchanging gospel into a rapidly changing city.

God has already been gracious in opening doors. As we have shared this burden with churches, He has given us encouragement, prayer partners, and financial support. We have been able to explain not only why Manchester needs another gospel witness, but also why our whole family believes God has prepared us for this work. My previous years as a missionary church planter and seminary instructor in Kenya taught us the importance of patient, relational ministry. Amber's experience as an educator and our children's interests give us natural ways to become part of the community and build genuine friendships. We want to live among the people, listen well, serve faithfully, and share Christ in the ordinary rhythms of life.

Our plan is to begin with life-on-life evangelism and discipleship. We want to meet people in homes, neighborhoods, schools, cafés, parks, and football communities; clearly proclaim the gospel; and help new believers learn to follow Jesus in everyday life. As disciples are formed, our goal is to gather them into a healthy Baptist congregation that worships Christ, teaches Scripture, cares for one another, and eventually helps plant additional churches throughout Greater Manchester and beyond.

We are currently raising prayer and financial support, building relationships with partnering churches, and preparing for a survey trip that will help us evaluate communities, schools, housing, ministry contacts, and possible locations for the first church. Our present goal is to complete deputation and relocate after the summer of 2027, as the Lord provides and opens the necessary doors.

Please pray that God will prepare hearts in Manchester before we arrive, lead us to the right community, provide the remaining support and visa pathway, and give our family wisdom through every transition. Pray especially that the Lord will raise up men and women who will believe the gospel, become faithful disciples, and help carry it to others. We are not going because the work will be easy. We are going because Jesus is worthy, the gospel is powerful, and the people of Manchester need to hear.

The Opened Door to Norway

Our names are Paul, Katrina, and Arielle McCright. I am an ordained minister by Faith NLR, and I have a Bachelor's in Bible languages from Little Rock Missionary Baptist Seminary and a Certificate in Applied Linguistics from Dallas International University. Katrina most recently taught 4th grade at Baptist Prep in Little Rock, and Arielle is our wonderful 3rd grader. We have been working with a group of believers in Gjøvik, Norway over the past year. Our group consists of Ukrainian refugees, Norwegians, Latvians, Lithuanians, Estonians, and Russians.

We first learned about this group through Bro. Joe Morell while attending a Missionary Training Ministry session. God began to work on our hearts from there, and in the summer of 2025, He swiftly and powerfully opened the door for us to travel to Norway to meet, preach, and teach among these believers. Since that initial trip, we have had the opportunity to return twice for extended periods to preach, teach, and build relationships.

Currently, we continue preaching and teaching online until we can return to Norway in October. Although I am not physically in Norway, I currently wake up at 2:30 a.m. to preach to the group via Google Classroom on Sunday mornings and lead Bible studies on Friday mornings. We are thankful to the Missionary Baptist Seminary for allowing us to use Google Classroom to make this possible.

Moving Forward:

Norwegian visa policies allow Americans to remain in Norway for 90 days within any 180-day period without an application or prior notice of travel. Anything more permanent will require a two-year accredited master's degree in the field of labor. While permanent residence is not currently an option for us, we firmly believe God has provided a unique and fruitful opportunity for ministry during the coming years.

I will continue teaching and preaching while beginning a master's program at Texas Baptist Institute this coming semester. Katrina and I will also begin homeschooling so we can travel as a family between countries.

Last April, we began alternating 90 days in Norway and 90 days in the United States. Over the next two years, I will preach, teach, and—by God's grace—train leaders who can guide and shepherd a church there into the future.

Support & Partnership:

We are actively seeking prayer and financial support as we prepare for these next two years. Our monthly support goal is $7200.00. Since some churches and individuals prefer to give one-time gifts or cover specific needs—such as airfare, housing, Bible software, transportation, or other ministry expenses—we want to share that our total yearly support need for 2027 is $86,000. Whether God provides this through monthly support, one-time gifts, or any combination of the two, we are grateful and praise the Lord for His provision.
