AVAILABLE BREWS

100% Colombian

The best Colombian beans make this coffee the standard for quality coffee. Mildly acidic and a sharp finish make it the perfect coffee to start your day or to finish off a fantastic dinner.

- #510224, 84/2.5 oz
- #510244, 4/5 lb (whole bean)

Valley Blend

The best Colombian beans make this coffee the standard for quality coffee. Mildly acidic and a sharp finish make it the perfect coffee to start your day or to finish off a fantastic dinner.

- #510234, 96/2 oz
- #510221, 84/2.5 oz

French Vanilla

This smooth-bodied coffee offers buttery and sweet vanilla notes while remaining light and balanced. A delightful cup of coffee morning, noon or night.

- #510226, 64/3 oz

Summit Blend

A flavor experience of savory perfection created by blending elite beans from Central & South America. This delightfully balanced 100% Arabica coffee has moderate acidity & a strong nutty finish.

- #510220, 84/2.5 oz

French Roast

The finest gourmet coffees roasted to a deep dark color. Darker than Viennes, but lighter than our Italian Espresso.

- #510229, 64/3 oz

Decaf

The perfect alternative for those who crave a quality cup of coffee without the caffeine. This blend is 97% caffeine free & full of taste & can be enjoyed day or night.

- #510223, 42/2 oz

LB 2317

The latest Lavazza innovation in the world of espresso. LB2317 fits anywhere, from table-service to self-service restaurants.

LB 4700

Universally acknowledged as an icon of reliability, the LB 4700 is a heavy-duty professional machine and the perfect choice for those who want to use the Lavazza Blue system.

LB 2811

Technology and performance of a top-of-the-line machine in a small footprint. Compact, solid, and reliable, this machine features a steam wand for milk frothing and hot water dispenser. Ideal for low volume restaurants and cafés.

CLASSY MINI

Modern design and ultra-small dimensions for a machine that is also suitable for SOHO offices and hotel rooms.

COLD BREW PROGRAM AVAILABLE!

- Integrated gas generator built in, no need for tanks or nitrogen generators.
- The machine has dual-tap design which gives a craft experience with ease in multiple beverage formats. Chilled nitro or still cold brew are both on tap from the same bag-in-box.
- It has a narrow footprint which saves counter space and best in class energy use
