Fruit drinks

A vibrant advertisement for fruit drinks. The background is a clean, bright white. In the center, a glass bottle is tilted, pouring a thick, bright orange juice into a tall, clear glass. The juice is captured mid-pour, creating a dynamic splash that rises above the rim of the glass. To the left of the central glass, another tall glass is filled with a deep red fruit drink, also showing a splash of liquid at the top. To the right, a third tall glass is filled with a bright green fruit drink, with a similar splash effect. The three glasses are arranged in a row, each reflecting the light on the surface they sit on. The overall composition is energetic and visually appealing, emphasizing the freshness and variety of the drinks.
